

THE CRESTWOOD NEWS

Periodic newsletter of the Crestwood Association ~ January 2022

Annual Meeting of the Crestwood Association January 22 2022 10:00 AM via Zoom

New to the neighborhood? Interested in getting involved? Want to reconnect with neighbors? This is the meeting for you!

Although planners had hoped to return to in-person meetings, that plan was squelched by the onset of Omicron COVID. Instead, we'll meet virtually, via Zoom. At the meeting, you'll meet current leaders and next year's candidates for office.

How to attend? Advance registration is required. Go to the website www.CrestwoodFW.org The box at the top offers a sign-up link: click that link, provide your name, street name and email address, and you'll receive a meeting link and a meeting reminder.

Want to attend but have no internet access? You can participate by phone, but you will have to sign up online.

How to participate in the meeting? Anyone may attend. Membership (\$15 dues per household) is encouraged but not required: see the on-line membership form on the website. Your household must be a member for individuals (up to two per household) to vote.

The Nominating Committee has announced these candidates for 2022 Association officers. Election of officers will be held at the Annual Meeting.

Lloyd Colegrove is the nominee for Association President. Lloyd and his wife Brenda arrived in Crestwood mid-pandemic, in 2020. Lloyd is recently retired from the Dow Chemical Company where he was a Director of Analytics and Artificial Intelligence in the Manufacturing function, an experience he maintains as a consultant. Brenda retired from Dow, where she was an R&D Fellow, at the end of 2021.

Lloyd and Brenda are avid cyclists (and ride the silver-looking Tandem through the neighborhood most Saturdays) and they both love to travel the world and garden in their backyard. The Colegroves

looked for a gently used older home to restore in their move to Fort Worth. They now live on Lindenwood Drive in an enlarged 1942 bungalow that has been well taken care of by previous generations; the work continues!

Holly Schur is the nominee for Association Vice President. She has lived in Crestwood since 2009. She is a past Vice President of the Association, chaired the Association's Chesapeake Funds Distribution Committee, served several terms as the Association's Membership Secretary, and has been actively involved in the organization of multiple Association events.

Kristin Glass is the nominee for Membership Secretary. Kristin has lived in Crestwood since 2003. She is a bilingual teacher in the Arlington ISD. Currently serving as Membership Secretary, in 2015 and 2016 she served as Association president, and has served as city hall liaison for several years.

Janine Lund is the nominee for Secretary. Janine served as Secretary in 2017 and 2018, and as President in 2019, 2020 and 2021. She and her husband have been residents of Crestwood since 2016, having spent a couple of years cruising around the neighborhood on their tandem bicycle, looking for property. Janine teaches general psychology part time at the Northeast Campus of Tarrant County College.

Kathy Kelly is the nominee for Treasurer, a position she currently holds by appointment. She has lived in Crestwood for over ten years. She retired as executive director of a professional association in 2019. In addition to her treasurer duties, she edits *The Crestwood News* and maintains the website.

Because the Zoom format will constrain oral nominations after the membership meeting begins, the current Executive Committee has determined that additional nominations of members, if any, must be submitted to the secretary, **Mary Beth Marsh** via email mbeth.ptom@gmail.com or phone 817-538-0344 by 5:00 pm Thursday, January 20. Any person nominated must be present January 22, and the person nominating must be a current member.

Networking with Your Neighbors: Good for You and Good for Your Neighborhood

Attention all Crestwood residents: did you know your residency automatically makes you eligible for membership in the neighborhood association? Regular association meetings are a great way to get to know neighbors and learn about things happening both around and within Crestwood. They offer a platform for you to share your opinions: they give you a voice!

The next Association meeting is the annual meeting; in addition to elections and reports, **Dana**

Burghdoff, a Fort Worth Assistant City Manager, will present. She will discuss the outlook for development on the westside of Fort Worth.

Ms. Burghdoff oversees the Development Services, Water and Transportation & Public Works departments, and the city's relationship with the Fort Worth Zoo, the Fort Worth Botanic Garden and mass transit initiatives.

Traditionally, monthly meetings are held throughout the year on Monday evenings at 7:00 pm; meeting dates are posted on the Crestwood website and published in the newsletter, announced in an email to all residents who have provided an email address, and are posted on signage throughout the neighborhood.

The nominal, \$15 annual membership dues allows you to vote at meetings. The dedicated volunteers involved over the years have made sure we have exceptional events, connect with the police department and city, and speak with a unified voice when needed.

Were you aware that this Association has been in existence for over 40 years? Your voice, insights and smiling face are so very welcome!

Join us to continue the tradition of Crestwood neighbors collaborating.

~ Mary Beth Marsh
2021 Crestwood Association
Secretary

President's Message

During my three years as Association president, I have spent time thinking about Crestwood. Where else locally could you find a place to live with similar quality of life?

I encourage us to get out on our streets and trails to enjoy our access to the river and the joy of getting outside and moving.

When we walk or jog or bike, we often meet and chat with our neighbors. What a fabulous part of being a Crestwood resident!

Unless energy is supplied to a system, entropy or disorder increases. Anyone who is a homeowner knows how true this is!

This is also true of neighborhoods. Our members and dedicated volunteers supply the energy required to preserve and enhance the quality of life in our neighborhood. Holding social events and paying attention to current needs, anticipating future needs, connecting with local government and other neighborhoods – all help keep our Crestwood the neighborhood we want it to be. So please, attend the Annual Meeting January 22! Being connected helps us keep Crestwood a place we want to be. So, please join or renew your membership, attend the Annual Meeting January 22 and meet your neighbors.

Thank you for the opportunity to serve our neighborhood.

~Janine Lund
