Irish (Gaeilge), also referred to as Gaelic or Irish Gaelic, is a Goidelic language of the Indo-European language family originating in Ireland and historically spoken by the Irish people. The language is one of four surviving Celtic languages.

This weekend has run annually for over 20 years and offers in depth classroom instruction with skilled teachers.

Classes are offered in language, music, and dance, and to all levels from beginner to advanced. The only requirement is the willingness to learn.
