| | 10:00am | Closing and Send Off |
| | 11:00am | Departure – Safe Travels! |

* **Morning Launches** are group reflections / activities to start the day. Some groups choose to plan and lead their own, but our staff is also available. **Daily Mass** is also celebrated next door at St. Clement Catholic Church at 7am (on Thursdays during the school year, Mass is at 7:45am and is celebrated with the students) – Many groups choose to begin the day with this ½ hour Morning Mass as their Launch for the day at least once during the week. Neighboring churches offer some evening Mass times – contact the Director for this opportunity.

** **Free time** is from after work until dinner. Some groups choose to stop and check out sites around town after work and before dinner. Other options include board games, cards, ping pong, foosball, air hockey and a pool table (all onsite at the Tau House). Swimming is also usually available at the St Bernard City Pool during the summer months.

*** **Evening activities** usually include a guest speaker on one evening; however, most evenings are free for you to choose or plan an activity on-site or around town.
