CALLER - Andy Allemao

Andy begrudgingly attended his first square dance class in 1999. After that first class Andy & his wife, Tami were hooked. In the summer of 2003, Andy attended a caller school. With the patient support of the callers & dancers of San Deigo County, Andy was given the opportunity to learn the art of calling.

By day Andy is a Senior Director of Product Management for a software company. Nights & weekends are pretty much all about Square Dance. Andy is the caller/teacher for three and a half weekly clubs in the San Diego area.

On weekends Andy has the honor of calling Regional dances, Festivals and weekends throughout the United States. Andy is also a staff caller on Buddy Weaver's Blue Star Records. Andy believes that his job is to facilitate the dancers' enjoyment of each other. To Andy, a successful square dance is one where the positive energy is high, dancers dance smoothly and confidently, are challenged a bit, but most of all share a hearty laugh or two.

CUERS - Larry & Susan Sperry
