**Speaker's Corner:** Our speaker this month is Allister Lugsdin who is giving a presentation on the interesting subject of "Australian Meat and Livestock Industry- key export markets". Allister will talk on the potential gains to Australia that are available through exports.

Last month we were entertained by Ambre Hammond, an internationally renowned concert pianist who gave a very interesting and entertaining presentation describing '*An Unorthodox Life in Music*'.

Ambre was a speaker that all the members really enjoyed. She is a delightful person, a very bright, funny, and attractive speaker. She gave us an account of the best and worst of a life of dedication to become what she is today – Concert Pianist – Composer – Public Speaker.
