Dear Member Families,

April 1<sup>st</sup>, 2020

In this difficult and uncertain time, our hearts are with those of you adversely affected by the COVID-19 pandemic. Your family's health and safety are our top priority.

Although your summer swimming plans may not be occupying your thoughts and decisions today, we felt it was important to let you know that we are closely monitoring how COVID-19 impacts our preparations to open the pool to our members. The fluidity of the situation does require us to plan for a potential delay but with no government declaration regarding public facilities extending into May and Memorial Day Weekend still a number of weeks away, we continue to plan to open on schedule. We remain committed to a 'return to the normalcy' as soon as it is considered safe to do so. If the COVID-19 pandemic continues to influence us deep into the springtime and we are required to adjust to it, we will share that decision with you as soon as possible. For now, Memorial Day Weekend marks the 2020 season opening.

We are supportive of our members choosing to assess their personal situations before committing financially to the swim club for the upcoming season. We have extended a few important membership dates to help ensure your decisions are as informed as possible:

- Shareholders deciding to terminate their membership now have until May 1<sup>st</sup> to complete the withdraw process without penalty.
- The \$25.00 early season renewal discount has been extended for dues paid by May 1st
- The Membership payment due date has been extended to May 15th

We will refresh this communication as frequently as practicable in the coming weeks and as the COVID-19 pandemic begins to loosen its grip on our daily routines. Please check our home page located at [www.springfieldswimclub.com](http://www.springfieldswimclub.com) frequently for updates. We will notify you by text alert when we post important updates. You can start receiving text alerts by texting **join sscalerts** to 94033. We are standing by to answer your questions or address any of your membership concerns. Please don't hesitate to reach out to me directly or any other Board Member during this period of uncertainty.

Best Regards,  
//S//
