

VAP Service Area

## Who is eligible for services?

VAP is open to **ALL** primary and secondary victims of a crime that was committed within the last 6 months who reside in *Kiowa, Comanche, Caddo, and Grady County.*

- You do not have to be tribally enrolled or affiliated to receive services. **ANY** resident of our 4-county service area may receive assistance.
- All Kiowa Tribal members are eligible for services regardless of county residence.
- Under certain circumstances (those involving children) the 6-month time regulation may be adjusted.

## Who We Are

### About Us

The Kiowa Tribe VAP aims to respond to the emotional and physical needs of crime victims in order to stabilize their lives after victimization, as well as, aid in the healing process, provide victims with a measure of safety and security, and empower them for future success.
