RENTAL AGREEMENT

CINNAMON TEAL PROPERTY

This agreement is made between Lineman Life Properties and

Tenant:

For the real property known as 1945 Cinnamon Teal Ct. Gridley, CA 95948

	Initials
This lease shall be effective from _____ to _____ at \$875 per month and will be due and payable by the 1 st of each month. Late fee will be \$25 every day after the 1 st until rent is received.	
A \$600 Security Deposit will be charged for each room rented; this payment is due in advance and will be used to reserve your room and once tenancy begins will be used to cover any damages to the property or furnishings you are liable for (\$500 is refundable, with \$100 being used towards your Move Out Cleaning), this amount is standard and will be increased depending on how clean you have kept your room and common areas.	
If for any reason, once deposit is given, you are unable or decide not to attend NLC (with less than 30 days' notice prior to 1 st day of class) you will forfeit your deposit. Once you have moved in, if you leave NLC (for any reason) you will forfeit all monies paid as well as your deposit. By signing this rental agreement you are guaranteeing Lineman Life Properties payments equal to 4 months' rent for your reserved room should we pursue collection of unpaid rent.	
Our expectation is that everyone will respect our property and furnishings and treat our property better than you would treat your own. The Security Deposit will be held for the duration of this lease. A Pre-Move in Inspection will be done the day you move in, a Check List will be notated and signed by both parties, on the last day of your tenancy a Move out Inspection will be done and any items noted as damaged/missing/broken will be deducted from said deposit. The refunded amount will be mailed within 21 days of move out along with an itemized deduction statement.	
We will cover \$50 per room towards the PG&E bill, any overage will be charged to the house, housemates need to be considerate of each other and their heating/cooling needs because bottom line the HOUSE will be charged, not an individual. We have installed a Nest thermostat that will allow us to set the thermostat at acceptable temperatures to keep the overages to a minimum.	
Only the tenant listed above may live on this property, anyone staying longer than overnight will have to have permission from Lineman Life Properties.	
It is required you provide Renter's Insurance for your length of stay at our property. You must list Caroline Branch/Lineman Life Properties as an additional insured/interested party. Prior to your move in day you will need to provide a copy of the Declaration Page. You can add the coverage to your existing Homeowner's policy or we have had tenants use an online company called ePremium or Lemonade. The policy limits are up to you, you only need to insure your personal belongings.

GENERAL RULES	Initials
By signing below tenants agree to and will perform according to each of the following rules and covenants.	
Violation of such rules and covenants shall be sufficient cause for eviction.	
Therefore, tenants agree to accept and abide by the following rules and covenants.	
HOUSEMATE ETIQUETTE	
<ul style="list-style-type: none">• Clean up after yourself at all times - There are multiple people that live here and everyone deserves to be comfortable in the common areas. The expectation is to keep your bedroom picked up and cleaned by the housekeeper every 2 weeks. We need everything to stay cleaned and picked up so it creates less stress for everyone.• Do not leave dirty dishes in your room or garbage, take it out every day.• Any pizza boxes, beer boxes or anything that is trash take it out to the trashcan, don't let it just sit on the counter or floor until someone throws it away.• Make sure any outdated/spoiled food is removed from the refrigerator on a weekly basis.• Laundry - Be sure to do your laundry completely. Do not leave loads in the washer or dryer for the others to have to deal with. Do not leave a load in the washer where it begins to mildew and cause the washer to stink.• Overnight guests are welcome on non-school days- there is no reason your guests should be in the house while you are gone attending school or an all day extracurricular course, we need to make sure the living conditions are comfortable to everyone that is a paying tenant, therefore it's best to invite guests over when you will be home.• No guest should make a "paying tenant" feel they can't use the common areas. If someone wants to invite "team mates/friends/family" over you need to make sure it's ok with everyone else. Your guest/s do not come before the paying tenants in the house.• Do not touch your housemates' belongings or allow your guests to, this includes personal appliances, game systems, computers, etc. If something is damaged you will be responsible for it since they were your guest.• Noise - No one (or their guests) should keep another tenant from sleeping, studying or even just relaxing in a space they also rent.... There also is a County noise ordinance that says quiet hours are from 10pm - 7am. Please always be respectful to our neighbors.
