2017 EVERGREEN MUSIC FESTIVAL

VIOLA AND BASS SWITCHEROO CLASS

Dear EMF Musician,

This year we are offering an introductory class that will teach the basics of Viola or Bass techniques. If you are looking for a change and are currently a violin or cello player this class could be just for you!

The Tacoma Youth Symphony Association will provide the instruments and books necessary for this class. We have a limited number of instruments so it is first come, first serve basis. We need to know as soon as possible if you are interested in this class so that we can get the instruments together. If you can provide your own instrument for this class you will be guaranteed a spot.

Students who take this class will still play their instrument in the orchestra and for the concert of camp unless the conductor determines they are ready to play viola or bass in the concert.

Please fill out the information below if you are interested in joining the class. Send in the form below with your medical consent form and final payment. If you have any questions please email Dr. Anna Jensen at emf@tysamusic.org.
