

We Care Program!!!

Being homeless, stranded or down and out is not a choice that individuals wake up and make. Today we want to let you know that there is someone who cares. We are trying to do our part through our "We Care" Program. The small gift we pass out hopefully can help nourish the body, mind and soul. The Bible tell us that "I can do all things through Christ who strengthens me" Philippians 4:13. At BBV2M LLC., we practice that and believe it. We are hopeful that our gift brightens the day and gives encouragement to those in need.

What Causes One to Be Homeless, Stranded or Down and Out?

According to the National Coalition for the Homeless, there are two major trends that have been largely responsible for the rise in homelessness over the past 20-25 years: A growing shortage of affordable rental housing and a simultaneous increase in poverty.

Additional Factors

The "Coalition" goes on to list the following factors that also contribute to homelessness:

- Foreclosures
- Poverty
- Eroding Work Opportunities
- Decline in Public Assistance
- Housing
- Lack of Affordable Health Care
- Domestic Violence
- Mental Illness
- Addiction Disorders.

Homelessness Does Not Discriminate

Homelessness effects all races, ages and gender. It is no respecter of Military Service, disability or religion. It is a problem that will take all of us to help reduce and eventually eliminate!!!!
