

AVANTI

(pronounced “A von tee”)

AVANTI is a gathering of the larger CEC community ... men and women who have made a CEC weekend, coming together to be renewed ... supporting one another in prayer & fellowship to keep our journey to Christ alive and thriving.

We gather @ Avantis to hear other people’s faith stories beyond our small Group. Avantis attempt to recreate the CEC weekend by combining music, prayer, sharing, and witness in an atmosphere of Christian joy and openness.

Meetings are held throughout metro Omaha, Fremont and Norfolk areas – at different sites, several times each the month.

Come, continue the journey! Via Cristo!
