EQUITATION DIVISIONS:

- A rider may compete in the same division throughout the entire season. That is, if a rider starts out as a Maiden, Novice, or Limit rider, they may show in that division all year no matter how many blue ribbons over fences they win.
- For specific eligibility and class specifications please see the current "Lake Effects Horse Shows Rule Book and Show Schedule."

HUNTER DIVISIONS:

- For divisions with height or oxer options, the highest height offered will be considered the height of that division and therefore may affect a rider's equitation status.
- For specific eligibility and class specifications please see the current "Lake Effects Horse Shows Rule Book and Show Schedule."

LEHS MEDAL CLASSES:

- Only one rider per horse
- To fill a class, three competitors must **complete** the course
- Upon receiving 2 blue ribbons in a specific medal class, the rider may not compete in that medal until the finals.
- The order of go will be posted one hour prior to the class.
- For specific eligibility and class specifications please see the current "Lake Effects Horse Shows Rule Book and Show Schedule."

JUMPER DIVISIONS:

- For specific eligibility and class specifications please see the current "Lake Effects Horse Shows Rule Book and Show Schedule."

LEHS MACLAY HORSEMANSHIP:

- For specific eligibility and class specifications please see the current "Lake Effects Horse Shows Rule Book and Show Schedule."

Lake Effect Horse Shows Membership

Membership is not required to compete in any class. However, membership is required for the rider's and the horse's points to count toward year end prizes, including LEHS medal qualification. Membership fee is \$30.00 if paid before the end of the rider's first show. Memberships received after the completion of the rider's first show will be accepted but will be assessed a late fee of an additional \$30.00. Only one membership is needed per rider, regardless of how many horses that rider shows.

Please consider sponsoring one of our LEHS competitive divisions. Your support will help provide year-end prizes to the high point riders and horses, which will be awarded at the year-end presentation ceremony.
