

The Saga of Peanut Butter and Jelly

By Darrell Johnson

Chorus 1:

Peanut butter...and jelly, tastes so good in my belly

(Peanut butter, and jelly)

They've been together, been in love forever

I'll always be true to you, I will leave you never

Verse 1:

But then last Friday at lunch I saw Hannah (Hannah, Hannah!)

She opened up her lunch box and pulled out a sandwich

It was peanut butter and banana (with honey...MMMM!)

It looked so good, it smelled so sweet, I knew I had to have a bite to eat

But I made a promise to my PB and J, that I'll be loyal forever

Chorus 2:

Peanut butter...and jelly, tastes so good in my belly

(Peanut butter, and jelly. Ooooooooooooooooooh)

They've been together, been in love forever

I'm trying to be true to you, and leave you never

Verse 2:

I wanted to turn away from that PB and banana (Peanut butter and banana!)

But it kept calling me, just like bamboo to a Panda

I looked at my PB and J and her PB and B, I knew I just had to make a plea

And I said to Hannah "(Hannah!), I'll trade you for half of that PB and B sandwich"

Chorus 3:

Peanut butter...and jelly, tastes so good in my belly

(Peanut butter, and jelly. Ooooooooooooooooooh)

They've been together, been in love forever

I tried to be true to you, and leave you never

Verse 4 & Outro:

To my surprise she said ok, and we both had half PB and B, and PB and J

My taste buds put out the welcome mat, I took one bite and that was that

But I'll always love you...my peanut butter jelly

...with a baseball bat (With a baseball bat)
