

GAM District 2 Parent Night with Dr. Brandi Klepper

Date/Time: Friday, March 29th, 6:00 - 7:30 PM

Location: Camdenton R-III School District: Hawthorn Elementary

Cost: \$5 per adult and \$5 per child for Movie Night (checks made payable to Gifted Association of Missouri)

Adult Program

6:00-7:30	Empowering and Powering Down Perfectionism and Q & A Session Perfectionism can sometimes be problematic, but perfectionism in and of itself is not necessarily negative. The goal is not to eradicate perfectionism, but rather to channel it when it is useful, and let go of it when it isn't. It is important for parents and educators of gifted kids and teens to understand perfectionism, identify indicators of it, identify when it's useful and when it isn't, decrease problematic perfectionism, and promote positive perfectionism. These themes will be addressed to help adults aid perfectionistic gifted students in being more balanced and adaptable.

About Dr. Brandi Klepper

Dr. Klepper is a Missouri licensed, clinical psychologist specializing in gifted, talented and/or high achieving individuals. She has taught undergraduate and graduate classes at Drury, Cox College, and Forest Institute. Dr. Klepper has participated in gifted services as a student, camper, RA, teacher, camp counselor, presenter, psychologist, and consultant. She has presented at NAGC, at district and statewide conferences of GAM and KGTC, Iowa Association (ITAG) and to various groups in Missouri and Kansas.

Movie Night while Parents Learn

Students will be viewing A Wrinkle in Time (PG) in the Capstone Center. Students are able to bring a blanket and pillow to enjoy watching the movie. Also, students will have the opportunity to purchase concessions while watching the movie. All items are under \$1.00. All proceeds made from this evening will go to support the Gifted Association of Missouri.

Students MUST be accompanied by at least one parent in attendance!

RSVP by Friday, March 15th (walk-ins also welcome)
