Tree Dedication In Memory of Sandra Dean

On Wednesday, July 12, 2017 members of Harvest Years Senior Center and our Board of Directors came together to dedicate a living memorial to Sandra Dean. A weeping cherry tree was planted at the corner of our building as a reminder of her many years of service to our Center and our community. Sandy, as she was known to all of us, passed away on April 24, 2017. Sandy was a member of Harvest Years for a decade or more, and also served as our Legal Advisor.

Sandy was a loving wife to her husband Don and a dedicated mother to their children. Her law practice was important to her in that she felt a need to help people.

Sandy will be missed by many people.

*From Our Executive Director
Tom Bones*

I hope the month of August finds you keeping cool, beating the summer heat and enjoying some summer fun! Although many of you are traveling to spend time with family and friends, we still have lots of sunny day activities going on here at the Harvest Years! Please be sure to check out our activities calendar and our August lunch menu. Stop in any weekday!

Some pre-planned fall events await you here as well. We will once again be holding our [Annual Yard Sale](#) in the month of October. Many helping hands are needed to make this a success! Another event to look forward to is our [Annual Arts & Crafts Show](#) that is scheduled for Saturday, November 4th. Please contact us if you are willing to volunteer for either of these special events or are interested in purchasing a table.

[August](#) is [Volunteer Appreciation Month](#) here at Harvest Years. On August 29th we will be inviting all our dedicated volunteers to enjoy lunch with us along with receiving prizes. We want to show our appreciation for their valuable time and energy to the Harvest Years Senior Center and helping to make it a better place. Please let us know if you can join us!

As always, we welcome any new project ideas, trip suggestions or membership needs. As we move into our new fiscal year, as everyone is aware the Grant-In-Aid funding for all Senior Centers was cut by 20% from last year's funding. I have been brainstorming with other senior centers on how to move forward with this state financial cut. This cut in funding is a very good example of how imperative it is to let your State and Local Representatives know how important full Senior Center funding really is needed for our programs.

On a final note and a friendly reminder....I encourage you to use our transportation service when you are coming to the center and please, if you need to cancel, contact us A.S.A.P.

Enjoy the remainder of the Summer of '17.

*Notes From Your Activities Director
Diane Amoroso*

Let's celebrate the remaining Summer season. We have many fun events and trips coming up and we ask that you join us and not miss out on all the good times.

Keep an eye on our monthly newsletter and If you see an attraction you would like to attend please call me and we can discuss the party or the trip you are interested in attending.

Our trip to the [TURKEY HILL EXPERIENCE](#) in Columbia, PA promises to be a fun filled day. On Friday, September 29th we will be visiting the Turkey Hill Dairy and experience unlimited free samples of Turkey Hill ice cream and iced tea. Next, unleash your imagination and bring your flavor to life in our hands on taste lab! You can actually taste the virtual flavor you created during your experience and make changes to it until it's perfect. What a fabulous day this is going to be and we would love to have you join us.

On Monday, September 4th we will go back in time and enjoy the happenings at the [Maryland Renaissance Faire](#). Excitement, fun, costumes, food, entertainment are all part of this Faire. It's Senior Day and the tickets are FREE to all Seniors. Trip cost: \$40.00 Bus & Gratuity.

So, What Happened With the Budget This Year?

Most Delawareans who have any interest in state government know that this was a bad year for the budget. For the first time in anyone's memory, the General Assembly failed to enact a budget by the constitutional deadline of June 30. Instead, we passed a bill on June 30 that extended the provisions of the Fiscal Year 2017 budget for three days into Fiscal Year 2018. Then, in the wee hours of Monday, July 3, we passed the new operating budget along with the capital budget and the "Grant-In-Aid" budget.

The political battles giving rise to the budget dispute had victims. Notably, Delaware's senior centers, including the Harvest Years Senior Center, will experience a 20% cut in their Grant-In-Aid (GIA) awards. GIA is the major source of funding for many senior centers and a 20% cut will be noticed. But lots of other things were cut, too. Support for the K-12 public schools was cut, as was support for our three colleges and universities. GIA for veterans' organizations and volunteer fire companies will see the same 20% cut as senior centers.

Many other programs were cut and some taxes were raised. People buying a home will pay a 4% realty transfer tax, up from 3%. A pack of cigarettes will cost 50 cents more and a six pack of beer will go up 10 to 12 cents. Of these, the realty transfer tax increase is the most worrisome to some people because they think it will make it harder for lower income people to buy a house. There is discussion about considering a bill in January that will exempt first time home buyers from the increase.

The biggest tax increase was on companies that incorporate here in Delaware. Their "corporate franchise fees" will go up considerably. I am concerned we might be threatening this "golden goose" the same as we are already threatening our casino industry.

All of this took place because of a \$400 million gap between anticipated expenses and anticipated revenue for Fiscal '18. For several years now, our spending has been growing faster than our income.

Even after the trials and tribulations we wrestled with this year, as of today there is no reason to believe that next year will be any better. The major cost drivers – increased costs for Medicaid, state employee health care and state retiree health care, as well as growing public school enrollment – show no signs of letting up.

Contrary to the opinion of many in the public, I believe the "Budget Battle of 2017" was based on far more than petty political bickering. It was a sign of fundamental, ideological differences playing out here in Delaware just as they are playing out across America. How big should government be? In how many aspects of our lives should government be involved? Should government be the main solution to all of society's problems? Who should pay for government? Is government part of the problem?

Not just the sun, It's the memories.
The fun, The love,
The leaves that sway in the warm August breeze.
It's not just the places. It's the journey
With smiling faces.
And as I look up at this blue sky,
I wish for the freedom,
And the city lights rushing by.
It's not just summer,
It's the memories that last.
It's the friends, The laughs,
The campfires.....And vivid pasts.

God Bless Our Troops
Always remember to keep
them all in Our Daily Thoughts
