## Application for Property Tax Relief

For Seniors and Social Security Disability or Railroad Retirement Disability Recipients

### Introduction

This booklet contains a combined application for New Jersey's property tax relief programs for homeowners and renters age 65 or older and those who were receiving Social Security Disability benefits or Railroad Retirement Disability benefits during 2025.

**If you were under 65 on December 31, 2025, and not receiving Social Security Disability or Railroad Retirement Disability benefits during 2025, do not complete this application.** You will be able to apply for the ANCHOR program in the summer of 2026.

This combined application incorporates the three major programs available to senior and certain disabled individuals:

- Property Tax Reimbursement (Senior Freeze);
- Affordable New Jersey Communities for Homeowners and Renters (ANCHOR);
- Stay NJ.

To receive benefits, you must complete the application and submit it with any required documents by November 2, 2026. Once you file, the Division of Taxation will determine which programs you qualify for and the amount of each benefit. **Benefits for all of the programs included in this Property Tax Relief application are subject to State Budget appropriation.**

You may be required to submit documentation **at a later date** to verify your age/disability status, rent, property taxes or P.I.L.O.T. (Payments-in-Lieu-of Tax), and/or mobile home park site fees.

**Prior Senior Freeze Recipients.** Your "Base Year" property taxes (18% of site fees) will be preprinted on line 14.

**Spouse/Civil Union Partner.** Any reference in this booklet to a spouse also refers to a spouse who entered into a valid same-sex marriage in another state or foreign nation and a partner in a civil union (CU) recognized under New Jersey law.

**Impact of State Budget**  
**Eligibility requirements, including income limits, and benefits available for all New Jersey property tax relief programs are subject to change by the State Budget.**

Any changes to the eligibility requirements and benefit amounts for 2025 will not be finalized until the completion of the State Budget, which must be adopted by July 1, 2026.

For updated information on any budgetary changes to these programs, check the Division of Taxation's website at: *propertytaxrelief.nj.gov* or call 1 (800) 323-4400.

For 2024: \$168,268  
For 2025: \$172,475

#### ANCHOR

- You owned (or rented) and lived in a home in New Jersey that was your principal residence (main home) on October 1, 2025; **and**
- Your home was subject to property taxes; **and**
- Your 2025 New Jersey income was not more than \$250,000.

#### Stay NJ

- You were 65 or older on December 31, 2025; **and**
- You were a New Jersey resident; **and**
- You owned and lived in a New Jersey home for the entire year from January 1, 2025, through December 31, 2025; **and**

- Your annual income was less than \$500,000.

For more information, visit the Division's website at: [propertytaxrelief.nj.gov](http://propertytaxrelief.nj.gov)

**Principal residence (main home)** means a home you occupied as your permanent residence. You are not eligible for a benefit for a vacation home, a "second home," or a property you owned and rented to someone else. If you occupied more than one property in New Jersey, complete the application for the property that was your main home on October 1, 2025. If you are required to complete Schedule 1, you will include information for both homes.

Residents of condominiums, co-ops, and continuing care retirement facilities who meet the eligibility requirements are also eligible for this benefit.

**Life Estate (Life Tenancy).** You are considered the owner of the property if you have life estate rights or hold a lease for 99 years or more. You must include a copy of an official document (e.g., deed, lease) establishing your right to occupy the property with your application the first time you apply for property tax relief. You do not need to include this documentation every year.

**Property Owned by Trust.** You are considered an eligible owner of a property owned by a trust if you are a beneficiary, or the deed or trust agreement explicitly states that you have a life estate in the property. You must submit a complete copy of the trust agreement and a copy of the deed with your application the first time you apply for property tax relief. You do not need to include this documentation every year.

### Privacy Act Notification

The federal Privacy Act of 1974 requires an agency requesting information from individuals to inform them why the request is being made and how the information is being used.

The Division of Taxation uses your Social Security number primarily to account for and give credit for tax payments. We also use Social Security numbers in the administration and enforcement of all tax laws for which we are responsible. In addition, the Division is required by law to forward an annual list to the Administrative Office of the Courts containing the names, addresses, and Social Security numbers of individuals who file a New Jersey tax return or property tax relief application. This list will be used to avoid duplication of names on jury lists.

## Completing the Application

**Deceased applicants** see page 7 for instructions.

## Social Security Number(s)

Enter your Social Security number or Individual Taxpayer Identification number (ITIN) in the boxes at the top of the application, one digit in each box. If you are married or in a civil union, you must enter the Social Security numbers or ITINs for both of you. **Enter the numbers in the same order they are entered on the NJ-1040** (even if only one spouse holds title to the property) unless you maintained separate main homes on October 1, 2025.

If you (or your spouse) do not have a Social Security number, file Form SS-5 with the Social Security Administration to apply for one. If you are not eligible for a Social Security number, you must file Form W-7 with the Internal Revenue Service to get an individual taxpayer identification number (ITIN) and enter your ITIN in the boxes provided for your Social Security number. If you applied for but have not received an ITIN by the due date, enclose a copy of your federal Form W-7 application with this form.

## County/Municipality Code

Enter the four-digit code for your current residence, one digit in each box, from the table on page 15.

## Name and Address

Print or type your name (last name first), current mailing address, and ZIP Code in the spaces provided. Include your spouse's name unless you are filing separate applications.

**Prior Senior Freeze Applicants.** Your name and mailing address are preprinted on your PAS-1 application. If your mailing address is incorrect, draw a line through it and enter the correct information.

## Address of Main Home on October 1, 2025

Enter the street address and county/municipality code of the New Jersey residence you occupied on October 1, 2025, if it is different from the address at the top of the application.

## Filing Status

**Line 1.** Fill in the oval that corresponds to your filing status on your 2025 New Jersey Income Tax return. Using a filing status that is different than the filing status on your 2025 return may delay your benefits. If you were not required to file a return, enter the filing status you would have used if you had filed. Fill in only one oval.

**Head of Household.** You can use this filing status if you were unmarried or not a partner in a civil union on the last day of the tax year, and you paid more than one-half of the cost of keeping up a home for yourself and at least one qualifying person. Certain married individuals/civil union partners living apart can file as head of household for New Jersey if they meet the requirements to file as head of household for federal purposes. You may also qualify to file as head of household if you are no longer eligible to file as qualifying widow(er)/surviving CU partner, and you have not remarried or entered into a new civil union.

## Qualifying Widow(er)/Surviving CU Partner.

You may be eligible to use this filing status for 2025 only if your spouse died in either 2023 or 2024, and you meet the other requirements

## 2025 Form PAS-1 instructions

to file as qualifying widow(er) for federal purposes.

## Age and Disability Status

Otherwise, fill in “No.” Include taxes billed on the additional lots on lines 14 and 15.

**Lines 14, 15, 16a, and 16b.** If you owned your home with someone who was not your spouse, you owned and occupied your mobile home and shared site fees with someone who was not your spouse, or you lived in a multi-unit property, use the percentage entered at line 11b or 12b to calculate your proportionate share of the property taxes and P.I.L.O.T. **Line 14.** Enter your total property taxes billed for the home that was your main home on October 1, 2024. Include amounts for any additional lots indicated at line 13b. Do not include any amounts due under a P.I.L.O.T. agreement on this line.

- Other (**taxable** income that has no other place on the return).

Enter your annual income for the appropriate year. See the instructions on page 10 for information on sources of income and how to determine the amount to report. If you do not have any income to report, you must enter "0.00" on line 13. Losses in one category of income cannot be used to reduce total income. If you have a net loss in any income category, leave that line blank.

## Appendix A

### Line 20a – Taxable pension, annuity, and IRA distributions/withdrawals

Retirement income such as pensions, annuities, and certain IRA withdrawals is taxable in New Jersey. The New Jersey taxable amount may be different from the federal amount. Enter the taxable portion on line 20a.

Common types of taxable retirement income:

- Pensions from the private sector;
- Federal, state, and local government, and teachers' pensions;
- Keogh plan distributions;
- 401(k) plan distributions;
- Early retirement benefits;
- Amounts reported as pension on Schedule NJK-1, Partnership Return Form NJ-1065;
- Civil Service pensions and annuities, even if based on credit for military service. These are received from the U.S. Office of Personnel Management.

Common types of nontaxable retirement income (do not report on this return):

- Social Security benefits;
- Railroad Retirement benefits;
- Public or private disability pension benefits until the year you turn 65. Beginning with the year you turn 65, the benefits are treated as ordinary pension income;
- U.S. Military pensions and survivor's benefit payments (Most are received from the U.S. Department of Finance and Accounting Service.)

**Part-Year Residents.** Include only the taxable amounts you received while you were a resident of New Jersey.

### Types of Retirement Plans

Retirement plans are either noncontributory or contributory.

**Noncontributory.** You made no contributions to your plan. Amounts you receive from these plans are fully taxable. Enter the amount from your 1099-R on line 20a.

**Contributory (Other Than IRAs).** You made contributions to your plan. Contributions are usually made through payroll deductions and, in general, are taxed when they are made. Contributions made to a retirement plan (other than a 401(k) plan) prior to moving to New Jersey are considered to have been previously taxed. These plans also may include employer contributions and earnings, which have not been taxed.

Since you have already been taxed on your contributions, you must determine which portion of your distribution is taxable and which is excludable. There are two methods of calculating the taxable and excludable amounts: Three-Year Rule Method and General Rule Method. To determine which method to use, complete Worksheet A the year you begin receiving pension and annuity payments.

**Note:** If you received a distribution from a 401(k) plan, do not complete Worksheet A. See the section on 401(k) plans. If you made a withdrawal from an IRA, do not complete Worksheet A or B. Instead, complete Worksheet C. See the section on IRAs.

**Three-Year Rule Method.** Use this method if you will recover all your contributions within 36 months from the date you receive your first payment from the plan, and both you and your employer contributed to the plan.

Do not report pension and annuity payments as income on line 20a until you have recovered all of your contributions. Instead, report these amounts on line 20b. Once you have recovered your contributions, the payments you receive are fully taxable and must be reported on line 20a.

**General Rule Method.** You must use this method if you will not recover your contributions within 36 months from the date you receive your first payment from the plan *or* if your employer did not contribute to the plan. Part of your pension is excludable and part is taxable every year. The excludable amount represents your contributions. Complete Worksheet B in the year you receive your first payment from the plan and keep it for your records. You will need it for calculations in future years. Recalculate the percentage on line 3 of Worksheet B only if your annual pension payments decrease.

### Worksheet A Which Pension Method to Use

1. Amount of pension you will receive during the first three years (36 months) from the date of the first payment ..... 1. \_\_\_\_\_
2. Your contributions to the plan ..... 2. \_\_\_\_\_
3. Subtract line 2 from line 1 ..... 3. \_\_\_\_\_
  - (a) If line 3 is "0" or more, *and* both you and your employer contributed to the plan, you can use the **Three-Year Rule Method**.
  - (b) If line 3 is less than "0," or your employer did not contribute to the plan, you must use the **General Rule Method**.

### Worksheet B General Rule Method

1. Your previously taxed contributions to the plan ..... 1. \_\_\_\_\_
2. Expected return on contract\* ..... 2. \_\_\_\_\_
3. Percentage excludable (Divide line 1 by line 2) ..... 3. \_\_\_\_\_ %
4. Amount received this year ..... 4. \_\_\_\_\_
5. Amount excludable (Multiply line 4 by line 3)  
Enter here and on line 20b, Form NJ-1040 ..... 5. \_\_\_\_\_
6. Taxable amount (Subtract line 5 from line 4).  
Enter here and on line 20a, Form NJ-1040) ..... 6. \_\_\_\_\_

\*The expected return on the contract is the amount receivable. If life expectancy is a factor under your plan, you must use federal actuarial tables to calculate the expected return. The federal actuarial tables are contained in the Internal Revenue Service's Publication 939, *General Rule for Pensions and Annuities*. Contact the IRS for this publication. If life expectancy is not a factor under your plan, the expected return is found by totaling the amounts to be received.

#### Lump-Sum Distributions and Rollovers

When you receive a lump-sum distribution of the entire balance from a qualified employee pension, annuity, profit-sharing, or other plan, any amount that exceeds your previously taxed contributions must be included in your income in the year received. New Jersey has no provision for income averaging of lump-sum distributions. Report the taxable amount on line 20a and the excludable amount on line 20b.

If you roll over a lump-sum distribution from an IRA or a qualified employee pension or annuity plan into an IRA or other eligible plan, do not report the rollover on line 20a or 20b if it qualifies for deferral for federal tax purposes. The amount rolled over (minus previously taxed contributions) will be taxable when it is withdrawn.

#### 401(k) Plans

1. Contributions made on or after January 1, 1984, were not taxed when they were made. If all of your contributions were made on or after that date, your distributions are fully taxable unless your contributions exceed the federal limit. If your contributions exceed the federal limit, you must calculate the taxable and excludable portions of your distributions using one of the methods described under contributory plans.
2. Contributions made before January 1, 1984, were taxed when they were made. If you made contributions before that date, you must calculate the taxable and excludable portions of your distributions using one of the methods described under contributory plans.

For more information on pension and annuity income, see GIT-1 & 2, *Retirement Income*.

#### IRAs

Your IRA consists of contributions, earnings, and certain amounts rolled over from pension plans. In general, your contributions were taxed when they were made and are not taxable

when you make a withdrawal. All the earnings and any amounts rolled over tax-free are taxable when withdrawn.

Use Worksheet C to calculate the taxable and excludable portions of your IRA withdrawal. If you made withdrawals from multiple IRAs, you can use a separate worksheet for each or combine all IRAs on one worksheet.

**Lump-Sum Withdrawal.** If you withdraw the total amount from an IRA, all the earnings and any amounts rolled over tax-free are taxable. You must report these amounts in the year you make the withdrawal.

**Periodic Withdrawals.** If you make withdrawals over a period of years, the part of the annual distribution that represents earnings is taxable. The amount taxable for New Jersey purposes may be different from the amount you report on your federal return.

For more information on IRA withdrawals, see GIT-1 & 2, *Retirement Income*.

#### Roth IRAs

Your contributions to a Roth IRA were taxed by New Jersey when they were made. Distributions from a Roth IRA that meet the requirements of a qualified distribution are excludable. Do not include qualified distributions on Form NJ-1040. If you received a nonqualified distribution, you must report the earnings on line 20a, and report the excludable portion on line 20b. A distribution that is considered nonqualified for federal purposes is also considered nonqualified for New Jersey purposes.

If you converted an existing IRA to a rollover Roth IRA during Tax Year 2025, any amount from the existing IRA that would be taxable if withdrawn must be included on line 20a.

For more information on Roth IRAs, see Technical Bulletin TB-44.
