

Welcome to Unlimited Hands-On Science<sup>2</sup> Afterschool S.T.E.A.M. Academy where we literally place science in the palm of your hands!

With our program focusing on children in kindergarten through 6th grade, we have created an innovative approach to Science that is fun, interactive, hands-on and most importantly educational. We establish a concrete understanding in children of science; what it's all about, and how it affects the world around them. When kids start using their imagination for questions such as 'why is the sky blue?' or 'how do birds fly?' we are here to provide answers.

## Hours of Operation:

### *School Year*

Monday - Friday, 1:30 pm - 6:30 pm

As a part of our program, your child(ren) will be introduced to scientific concepts each day:

**Scientific Mondays,**  
**Techy Tuesdays,**  
**Engineering Wednesdays**  
**Artsy Thursdays**  
**Mathematical Fridays**

UHS<sup>2</sup> expands beyond the typical aftercare service by providing the best possible learning environment, high quality and experienced staff, and supportive workshops each day focusing on STEAM.

## ABOUT US

“Molecular” Maegan and “Beaker” Billy together have developed a love for Science that has allowed them to travel around the Midlands and beyond for over 15 years, uncovering the mysteries of science and sharing it with children. With these two as a tag-team-special it’s always a surprise what the duo is mixing up!
