

ARLINGTON SQUARES

Dear Friends,

It is written that there is a time to every purpose under heaven, and we are excited to announce that it is now a time to dance! Prospect Heights Park District has confirmed that Arlington Squares can host summer workshops on Tuesday and Thursday evenings starting in June. These workshops are open to all square dancers and with a room capacity of 60 dancers, there will be room for all! (In the event that more than 60 were to show up, admittance is on a first-come first-served basis.)

Time, days and location:

Club 50 Workshops

Tuesday nights from 7 – 9 pm, June 8 through August 24.

Plus workshops

Thursday night from 7 – 9 pm, June 10 through August 26.

We hope to sponsor several dances in place of some of these workshops – stay tuned for details as we work on booking callers.

All sessions will be held at the **Gary Morava Recreational Center, 110 W. Camp McDonald Road, Prospect Heights, IL 60056.**

Fees: Sessions are free for members of Arlington Squares; \$7 per session fee for non-members payable at each session.

Safety precautions: No masks required if you have been vaccinated. Park district is invoking the honor system and will not be asking for proof of vaccination. There will be plenty of hand sanitizer available and the bathrooms will be open. No refreshments will be served. Participants are asked to bring their own water. The drinking fountains will not be operational; however, the automatic sports bottle refill stations will be functioning.

Angels needed: Arlington Squares members who dance at the Plus level are encouraged to attend the Tuesday sessions to help guide less experienced dancers so they are fully ready to participate when the 2021-2022 dance season gets underway this fall.

We look forward to welcoming square dancers from all over the Chicagoland area to share in this return to “normalcy” as we once again gather in squares to have fun, shake off any rust build up, return to pre-lockdown form, sharpen our dancing skills, and enjoy the challenge of something new under the guidance of one of the best instructors in the area, Arlington Squares’ own Barry Johnson!
