half of our coaching staff, players and support staff, it is indeed an honor for you to join us for another exciting season of Trojan Football. I hope this year is full of exciting and positive moments that will keep you on the edge of your seat and anxious for the next football game.

Trojan football players believe in our system. They believe in each other, their coaches, trainers and their classroom teachers. With this in mind, we know that our program will continue to move forward. We expect our players to not only believe in our system, but to believe in themselves as well. Hard work is expected and demanded on a daily basis, not only on off the practice field but in the classroom and community as well. Excellence in all areas of life are continually stressed and supported in our program. Our players have been the kind of people who appreciate this community's support and expectations.

Our expectations of our program are high, and that's what makes my job both challenging and enjoyable. The challenge to continually improve our program on a daily basis continues to be an enjoyable part of my life. To our patrons and supporters of our program, thank you from the bottom of my heart.

The support and encouragement from everyone associated with our program has been demonstrated in the pride, craftsmanship and commitment that are all a part of the new Robert L. Sharp Health/Fitness Center. The new locker room, weight room and training facilities are second to none in the state of Oklahoma and will no doubt assist all our athletes in achieving their highest potential.

Living here has been a huge part of my life. My wife Courtney and I have built a home and started our family here, and we can truly call this community our home. I believe it's the combination of great people, great players, a great school, and a great community that makes my job very special.

Thank you for your support and welcome to Trojan football, and may this be a football season to remember.
