Tom Grissman - The Expert at Reproducing Art

April's presenter was **Tom Grissman** who described his photography processes, and illustrated how he makes expertly color-matched Giclees, prints and greeting cards of artist's work. He brought along 2 paintings that were identically framed (pictured with Tom, below) and it was almost impossible for us to tell the original from the Giclee. Many of us have worked with Tom over the years and it was beneficial to hear him describe his unique color processes and his expertise, which initiated a very robust round of discussions too.

PCAA's Phenomenal Demo Program

The PCAA Demo Program under the leadership of Chairperson, **Ellie Lafer** has been exceptional these last few years. This year we enjoyed fun demos by **Sally Pearson, Kevin Hutchinson, Mimi McCallum and Lisa Young** as well as expert presentations by **Neil Capozzi and Tom Grissman**. Lucky for us, **Ellie** has agreed to Chair the Demo Program again for the 2018-2019 term. Thank you, **Ellie**. It has been truly an educational, enjoyable and inspirational program.

The Multiple Ways We Communicate

Communication is **Job One**. Monthly meetings are the best way to hear the news, updates and opportunities for us as artists. But when you can't attend, check out these many other tools:

Our Facebook page, [Facebook/Palm City Art Associates](https://www.facebook.com/PalmCityArtAssociates) is managed by Editor **Ellie Lafer** and our Website PalmCityArtAssociates.org is managed by Webmaster, **Neil Capozzi**. Our monthly newsletter the **PCAA Brushstrokes** is created by **Patty White**, who communicates to us via email. PCAA board members are always available by phone and listed in the **Membership Directory** along with lots of info on meetings, shows and classes.

The New Board Members

The new board members (and some prior ones) were voted into office during the April 11 meeting.

Thank you to Pat Jayne

Thank you to **Pat Jayne** for serving as president for the past 2-years. Recognized by members in April meeting for her time & effort, as well as for her yummy home-made cookies, Pat said, "I enjoyed working with the artists and

I look forward to the Scholarship meeting & seeing everyone when we return in the fall."

May 9 Recognition of Scholarship Recipients & Families

A very special event is planned for May 9 as we honor our 2018 Scholarship recipients and their families. We look forward to this fun meeting every year as it is an honor to meet the young students and their proud families. They always bring along some of their art work to share with us too. It's a rewarding opportunity to contribute to the future of these young artists and we know they will all pay it forward too. Please join us on May 9th at 1 pm at the Library. See you all there.

2017 Scholarship Recipients

Member Dues Deadline is May 31

Please remember to pay your PCAA Membership dues by the deadline of May 31st in order to have your name and contact info listed in our annual Membership Directory.

The Volunteer Spirit is Alive and Well Throughout PCAA

In the April meeting, the new board requested members consider volunteering for a task or committee to support the work of the PCAA next year. Describing each task and committee, Patty said, "No one will be expected to do it all alone, just step up, learn, help out and have fun." As you can see, your response was overwhelming. Thank you all!
