

# HENDERSON LAKE FISHING CLUB

August 2007

Alan Johnston Editor  
President

**Loon Report** . Well we should call this the year of the Loon or should I say Loons. Henderson Lake had not one but two sets of nesting Loons and they both successfully had babies. The pair at the south end had 2 babies and they are both doing well and will soon be leaving us. The pair at the north end had one baby, however the young one and the parents seem to have disappeared.

**Fund Raising & Expenses** Our fund raising for this year is about on schedule with \$890 being collected thus far, in fact the last three checks I received were all for \$50 each. WE are however only half way to the amount we collected and spent last year. So if you have not donated yet please do so and ask your neighbors if they have. We are asking a minimum of a \$25.00 donation from each family. Please remember that many individuals give much more than the basic donation and some families that don't even fish contribute because they believe it is the right thing to do.

**Fish Plantings** The Fall planting for this year will be planned after the holiday collection period and will depend on the funds raised. The Fall 06 planting consisted of 500 Bass (5 to 7"), 160 Crappie (4 to 6"), and 160 Hybrid Bluegills (4 to 6") and 10 gallons of Fathead minnows that were planted this May.

**Weed Control** Several people have expressed their concern about the amount of weeds in our lake. I understand that the weed problem got so bad at George Lake that tens of thousands of dollars were raised and spent to combat the problem. We need to protect our lake before we end up in the same situation. Please keep lawn fertilizer at least 15' away from the waters edge and only use biodegradable soap in the lake.

## **HENDERSON LAKE FISHING CLUB VOLUNTEERS**

North End	Ron Chapman
Allen sub	Floyd Norscia & Kevin Dillon
Henderson Heights	Bruce Baumann & Dave Skornia
South End	Bob Stephenson & Alan and Mary Ann Johnston

**Donations** Donations will be collected in each of the subdivisions between Memorial Day and Labor Day
