Dear Mr. Stocks:

This will acknowledge receipt of your letter in which you state that you are taking steps to lodge in the Arkansas Supreme Court the record on appeal from the denial on January 18, 2018, of the above-referenced petition. You enclose a copy of letters to the circuit clerk concerning the appeal and a copy of a motion to compel preparation of the record and perfection of the appeal that you indicate you are filing in the circuit court. You ask that this office contact the circuit clerk with respect to the matter.

The copies have been placed in your folder in this office. As you provided an extra copy of your letter to this office and the other items, the extra copies are being returned to you stamped "received."

With respect to your request that this office contact the circuit clerk to assist you, this office does not contact circuit clerks to assist litigants in the effort to perfect an appeal.
