Documentation of Monetary Donation

Attention: Dr. Scott Smith

I/We will be making a monetary donation of \_\_\_\_\_ in support the St. Mary's County Public Schools (SMCPS) 21st Century Community Learning Center (21CCLC) Summer Learning Program to directly support the program's goals of assisting students in maintaining and/or improving their academic skills as well as experiencing healthy and enriching summer experiences.

I/We believe that the summer program will benefit students in both their academic and personal skills development with a focus on math and reading/literacy skills. We understand that due to the recent health crisis, the program has changed to a distance-learning platform, and we feel that this is the best way that we can support the program at this time.
