

## WAIT A MINUTE NOW, THERESA

By John Lipinski

Wait a minute now Theresa, they upped the limit on my Visa  
And I can now afford to take ya, on a Caribbean cruise  
I gotta hold, I gotta please ya, if you get cold, I'm gonna squeeze ya  
So just a minute now, Theresa, there's a deadline to choose

We'll sail away to paradise, & steal your heart under the moonlight  
Just you & me, I'd sacrifice, a mortgage payment, to hold you tight  
If there's a way to light a fire, to stoke a flame, burning bright  
For me to be your heart's desire, under the stars every night

Wait a minute now Theresa, I'd put a thousand on my Visa  
So I can now afford to take ya, on a Caribbean cruise  
Let me hold & let me please ya, such a tease, I wanna squeeze ya  
So take a minute now, Theresa, it's not a gamble, we can't lose

turnaround

You know the dollars that you pay, can't be measured now in sense  
True love only comes your way, once in a while, it isn't frequent  
You can't waste another day, the price for this is heaven sent  
So pony-up, the wise men say, & go in style, it's well-spent

Wait a minute now Theresa, they upped the limit on my Visa  
So I can now afford to take ya, on that Caribbean cruise  
Got to hold, got to please ya, if that's the only way to reach ya  
So take a minute now, Theresa, we got nothin' left to lose

Wait a minute, wait a minute, don't want the dream without you in it  
Wait a minute now, Theresa, out on the sea, we're gonna cruise  
Wait a minute now, Theresa, & make a deal you can't refuse  
Wait a minute now, Theresa...you got a doctor's excuse?
