EUREKA SPRINGS

FOOD

SPIRITS

2017

There aren't many places that can say this:

Eureka Springs has 76+ eateries, yet only 3 of those are chain franchises.

Every restaurant, bistro and cafe in the Historic District is locally owned and operated. Some offer ethnic family recipes. Others offer high-cuisine and others offer that Urban-South down-home cookin'. Most of the eateries use only locally grown fresh vegetables, proteins, fruits, coffee wines and sauces. Many specialize in Vegan.

Your foodie experience is guaranteed to be one-of-a-kind!
