### MONTH 8–Developing Baby–"I like to listen to my Mommy's voice!"

This sweet baby girl is finished developing and is concentrating on gaining weight. She will need a layer of fat to help her stay warm after she leaves the perfect temperature inside her mother's womb. For some weeks now, she has recognized her mother's voice. In a short time, this beautiful baby will be born. This baby's mother appreciates the prayers that have been said for her and her baby throughout this pregnancy.

### April is Child Abuse Prevention Month

We are called through scripture and teaching to protect the life and dignity of the human person. Throughout the year, but especially in the month of April, all are asked to increase awareness, to educate ourselves, and the community, and to seek healing for those who have been so tragically impacted.
