

End of Year Enrichment Activities

The final weeks of school provided endless activities and learning experiences at all grade levels for our students at Holy Spirit Catholic School.

Above – Our Fourth Graders had a wonderful experience at Frontier Days.

Below – The 3rd – 5th graders learned about the Basque culture with Ronnie Goicoechea. They had a history lesson and practiced a few dances. Thank you for opening the world up for our students!

Left – The Preschool and Kindergarten classes had a lesson on ladybugs and released over 1,000 live ladybugs outdoors!

Above – Our First Grade class attended the annual Wyoming Reads for all first graders. Wyoming Reads was created in 1996 by the Susan Jorgenson Library Foundation to advance the aide of childhood literacy. All First Graders in Wyoming had the opportunity to decide which book they would receive at the 2015 Wyoming Reads celebration.
