

# LUCIFER'S ATLANTEAN CAPITAL

## THE COMING IMPLOSION OF OLD WORLD ORDER AMERICAN PHOENIX

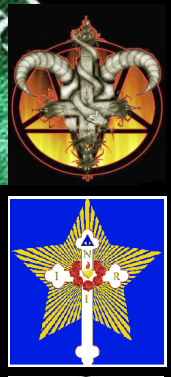

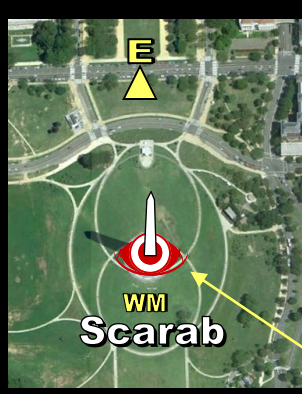

This illustration depicts the confirmed 5.9 earthquake that hit DC/East Coast of the USA that has been unprecedented due to the lack of fault lines in that part of the nation. There is a North American Craton Plate that has a ring border where the 37-38° latitude is corresponding. Perhaps the cracks in the Washington Monument (WM) incurred by the earthquake are more than symbolic. The WM is the emblem of the power and might of the Globalist city or New Atlantis. It is a well known and published that the DC map-grid layouts are tied to esoteric and occultic configurations. All over the city, monuments such as the WM pay respect and homage to the country's former leaders—on the surface; it is really used to mask the Luciferian agenda behind the facades. Such monuments are merely overlaid with Judeo-Christian double-speak verbiage. As \*Manley P. Hall, instructed the occult, "Use a Christian veneer to mask our symbols and secrets." (paraphrase)

The (WM) is known as Baal's Shaft, the Needle of Isis. The 'Builders' who have erected such monuments venerate the 'Wise One', Lucifer that is at war with the True Christ. Luciferians mock and counterfeit Christianity with their Rosicrucian Cross and Skull & Bones, the antithesis of Calvary. The Obelisk is the final 14th member needed to resurrect Osiris and have it be the 'vessel'/body for the incarnation of Lucifer into the coming Anti-Christ. They seek to convince Humanity that they want to help elevate and liberate it from the bondage of the Judeo-Christian GOD of the Bible and replace it with the 'pure Doctrine of Lucifer'. To them, Lucifer is the true 'Christ', the Light Bearer. This Endeavour is the task of the Secret Societies "Great Work" of which Paul warns in the Bible to get out of. DC is in a constant state of 'work completion', aside from natural build-up and progress, the central Mall and surrounding environs mirror the work still needed to be accomplish before the decent of Lucifer can happen. This 'Work' calls for the implosion of the 'Old Atlantis' or the USA to make way for the 'New World Order.' Perhaps in 2015-16.

### OBSERVATIONS OF THE CITY LEY-LINES

An inverted "Broken Pentagram" protrudes north from the White House. The Knight's Templar's Cross—'double cross' also. There is the famous PYTHAGORAS TRIANGLE north of the Mall. The Rosicrucian Cross, is up-side down from Capital Hill and is not the Christian Cross where Jesus Cross redeemed lost Humanity by His shed Royal Blood. Luciferians/Satanists mock and mimic it in exchange for the "Lie" of Lucifer's alternate plan of redemption and likewise promise of 'eternal life'. This is the same promise Lucifer, like YHWH promised, that has been fed to Humanity since Eve wanted 'Illumination' and "Awakening" as it occurred in the Garden of Eden according to the Bible due to the sin of disobedience.

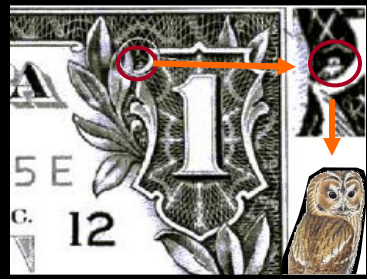

### THE MALL PYRAMID

IF the map layout is a time/space grid and there are 13 steps from 1776 to the truncated top, then the last 13th piece Capstone would start from 1777.

- Using latitude = year count
- > 38.96° DC Latitude / 2 = 19.48°
- > 19.5° (rounded) x 13 steps = 234 years
- > 1777+ 234years = 2011

2011 was the year of the largest earthquake to date ever recorded for the city. Does the USA only have 234 years allotted to its history as a Republic before the NWO is ushered in by its demise? Does 2013 allude to the 13 Skulls that traveled from NY to LA?

### CULTIC SYMBOLS

The mounted Winged-Owl on Capitol Hill symbolizes the 'All Wise One' that sees at night, the Lord of the Night ready to descend and perch on top of the pyramid of 13 steps crowned by an 'Alien Skull'. The Eye of Horus or Lucifer is at the heart of the Sacred Scarab; identified by an elongated hexagon whose base is set with the WM. In the occult, a hexagram is the most powerful symbol of dark magic and is said to give protection and boundaries. The Scarab is a symbol of the resurrection power over death by bursting out onto the 'New Order' with the promise of 'Eternal Life.' The Capstone of the WM, is a mirror copy of the one on the Mall grid; it has 13 levels of casing stones. If the Mall Pyramid's base is 1776 as the Reverse Seal of the USA declares then from David Flynn's research, the year 2016 will be when the change in the Great Work (NWO) will be consummated—meaning, Lucifer begins to descend as that Wise Old Owl to make his earthly physical manifestation complete onto the world scene; politically, spiritual, economically, etc.
