Pinstripe colour: Specify \_\_\_\_\_

Caterham lettering colour: Black  White

*We are happy to paint your Caterham in any major motor manufacturers colour so long as you are able to provide a paint code to ensure we get the correct colour. Please be aware that certain colours require specific materials and processes to produce which may increase the build time and cost of this option. Some colours can be difficult to repair so may not be recommended.*

<sup>14</sup>. Black pack includes headlamp bowls, windscreen frame, exhaust heat shield, carbon fibre rear wing guards and carbon fibre sill protectors.

<sup>15</sup>. Tool kit designed specifically to tackle the job of building a Seven. It includes tools required to construct and maintain a Seven with a number of devices not found in typical tool sets.
