On behalf of Pastor Monsignor Timothy Dyer

With profound gratitude and joy, we share this blessed news with our beloved congregation. St. Stephens has been graced with two generous donations from the charitable trusts of our former parishioners.

The first donation, amounting to \$646,000, was bestowed upon us by Julius and Ilona Danyi. We extend our heartfelt thanks to those who diligently assisted in retrieving the necessary information to confirm their active participation in our parish community.

The second donation, in the amount of \$551,500, was given by Attila Héthely. Attila was born in 1937 in Hungary and came to the United States in 1956, initially settling in Columbus, Ohio, before making his way to California. He had a distinguished career in the Aerospace industry and was a devoted parishioner of St. Stephens. Attila departed from this earthly life on May 11, 2025.

We are deeply grateful to these parishioners for their extraordinary generosity. Their contributions have enabled us to install a new roof on our church and soon, a new air conditioning and heating system. These improvements will serve our community for years to come.

Let us remember Julius, Ilona, and Attila at the altar and in our prayers. May their souls rest in eternal peace and may their legacy of faith and generosity continue to inspire us all.

The New Sanctuary - Celebrating 40 years Side Altars

Sacred Heart Shrine

In Holy Week, the Eucharist leaves the tabernacle behind the main altar and is reserved here, at the feet of the statue of the Sacred Heart of Jesus.

On the front doors of the tabernacle are carved twigs of apple trees in full bloom, flanked and topped by ancient Hungarian decorations. On one side panel a flaming heart is enclosed by laurel leaves; stylized leaves and flowers encircle the carvings.

Blessed Mother Shrine

The statue of the Holy Virgin is supported by a tabernacle-like base. On its doors blooming lilies symbolize Mary's chastity; the doorframes show old and modern Hungarian decorative elements. On one side of the base the same Hungarian motifs frame Mary's profile, carved in wood, while the other side has three flowers encased in the inscription in Hungarian: "A SZÚZANYA OLTAMÁÉRT."
