

# BORA HUNTING ARMS

## ▲ COMPANY PROFILE

"BORA HUNTING ARMS" is one of the leading industrial companies, involved in hunting, shooting and defense sector, manufacturer under the registered brand names ;

"BARAK, ESCOBAR, T-BORAWING, GÖZDE, BR 99, BORARMS"

established in 2004, have been in active experiences in firearms industry since 1970s by known as one of the first shotgun manufacturer in TURKEY

We've earned a solid reputation by manufactured **1st** AR15 Type of 12 Caliber Shotguns called BARAK BR 99 in Turkey and subsequently manufactured the same type in 20,28 & 36 Calibers , accordingly have passed very common proof houses and it's been exported worldwide markets such as US, Canada, UK, Germany, etc.. However our company did not get involved in exporting till 2016 , only acted as a manufacturer company and supplied its products for well-known firearms and trade companies who consider our company as a best magazine fed shotgun manufacturer.

We strive to offer innovative products to our customers by heavily investing to R&D to fulfill the ever increasing demand of the global market. In order to meet the expectations of our customers, mainly all of the manufacturing processes are being carried out in our factory starting from metal machining, plastic injection, and assembly processes making us 100% reliable company for after sales services.

We Only Sell What We Manufacture !

Bora tests all of its products at every phase of production, to ensure top quality and reliability. As a direct result of optimization of the production process, all these products are excellent value for money. Bora Hunting Arms today is a rapidly developing, constantly evolving corporation.

Our production facility is compatible with **TSE, SAAMI** and **CIP** standarts

The Company is based in Beysehir, Konya, is a city in the Central Anatolia Region of Turkey and is one of the most economically and industrially developed cities in Turkey
