- **Please note:** You must use the access code provided by your Course Director to view the pre-course modules at no cost. Any payments made toward the online portion of the course will not be applied to the registration fee of the full TNCC course. Payments made are final, and will not be reimbursed.
- To start the course, click on [VIEW NOW](#) or [START](#) next to the module name. The module will pop up in a new window. You can view the modules in any order. When the course is completed, a check mark will appear alongside the course name. All required modules must have a check mark in order to print your certificate of completion.
- To record completion, you must select the “Submit Contact Hours” button in the course profile. You will complete a course evaluation at this time. Note that the contact hours for these modules will be provided to you by your Course Director, at the in person course. You may print a certificate of completion for your records after you complete the course evaluation, though it is not required to bring to the course.
- You may log out of the online modules and return to them as often as necessary. Directions on how to access these modules again as a **Returning User** are found on the next page.
 - To access the TNCC practice test questions and skill station demonstration videos click on the PDF icon under resources in the Topics section of your course profile.

Please note: *It is encouraged that all students complete the modules as well as read the provider manual. The online modules, in person class and the provider manual are meant to supplement each other to provide a more robust learning experience focused on retention and to provide for more hands-on skill training in the classroom setting.*

If you have any questions or issues with the login process, or technical difficulties with the online modules, please contact elarning@ena.org or the education department at 847-460-4123.
