To Homeowners on Victoria and Eagle Avenue:

Randy French and Stylecraft Homes will be providing lawn care services for your homes until December 31, 2009. After this date, the responsibility of lawn care will be placed back upon the homeowner. While we are aware that Stylecraft advised each of you they would or the HOA would provide lawn service, the HOA never entered into any agreement for this undertaking. The HOA will be exploring options to assist you in your yard maintenance after December 2009.

If you should have any questions, please do not hesitate to contact me at 979.571.6658 or by email at bhartaggie99@yahoo.com.

Sincerely,

Billy S. Hart
President of WVHOA
