Journey Leadership: **Eileen Kerlin Walsh, JD**

Founder of Kerlin Walsh Law, P.C., host of "Wills, Trusts & More" television show and "Where the Road Rises" podcast. Eileen discovered the magic of sharing one's life stories while drafting legal wills for her clients. She knew the real gift of her clients' lives, their tales and beliefs, were not being passed down. Eileen, raised in the rich oral tradition of rural Ireland, loved client stories and made it her mission to get them told. Eileen has been teaching ethical will writing for over a decade now. Her course has been featured on TV and in major publications. Eileen believes we can all heal, forgive, inspire, move and entertain with our stories. Let her help you tell yours in Ireland.
