

Georgia Lions Camp

November 2022

Where has 2022 gone? It is now November. It is time to start thinking about turkey and dressing or putting up Christmas lights; although some of you already have. I bet some of you still have some lights up from last year. Here at the camp as we begin preparations for Christmas Camp which is December 9-11, 2022, we are thankful for another year to serve our campers. Registrations have begun and campers are getting a head start with their registrations. Camper registration and application completion deadline is November 30, 2022 - no extensions!

Happy Thanksgiving

This year's theme is once again about "Helping Others".

Campers like to give back to children and make sure they have a great Christmas. During the past couple of months I have asked you to help us with this project by donating gift cards of any value if you can. All these cards will help the campers buy gifts for a few children. Please send the cards to the camp's address and designate what they are for. **"5626 Laura Walker Rd. Waycross, Ga. 31503"**

I had asked for some volunteers for this Christmas Camp season and I am proud to say many have asked what they can do. I do have several volunteers coming to help with a few of the activities. Many of the summer staff have also called to come and help with Christmas Camp. Things are looking good.

Along with our traditional Christmas Camp we will also be joining up with the Alumni of camp seasons past. They are coming to reunite and talk about old times which will include previous campers and staff who have traveled different paths through their adult lives. It will be a blast. Final deadline for Alumni registrations is November 19, 2022. Alumni contact person is Ed Ressler. Check out the camp's website for more detailed information.

Activities for the weekend will include our annual hayride, (caroling required, which will be led by Ellie) maybe some hot chocolate, plenty of social time, horse and buggy ride, a special art project, shopping trip to Walmart, and you bet a "Christmas Party." There will be plenty of good food and lots of fun and games.

The next few weeks are going to be really busy. I have a couple of rental groups coming just before Christmas Camp and then it will be time to celebrate the holidays with our families. I look forward to introducing to you, Gail and I's first great grandson who is due to arrive soon. Gail and I are so thankful for the family God has blessed us with. A daughter, two sons, sixteen grandchildren and soon a great grandchild. We are undeserving but we are truly blessed.

I am thankful that I am able to work where many give to provide the needs of the camp so our campers can come here, get away from their daily routines and just be amongst their peers. This is a place where they are not judged but are all allowed to share their "vision for a brighter tomorrow".

**BOARD CHAIRMAN'S
NOVEMBER NEWSLETTER
GROWING THE CAMP MORE**

December 1 is fast approaching. Anyone interested in running for office on the Camp's Board of Directors for 2023-2024 needs to have their letter of intent signed by your Club secretary and sent to our Immediate past Board Chairman Lion Ed Ressler by December 1. The Office Positions that must be elected each year are: Board Chairman, Vice Chair, Secretary and Treasurer. The end of June I will have completed my limit of two consecutive terms; so a new Chairman has to be elected.

At the District Conventions in 2023 Districts 18-I and 18-O will be electing District Directors. All letters of intent to run for District Director must be submitted to their District Governor and the Secretary of the Camp's Board at least 30 days before their District Convention. District 18-I convention is on March 11, 2023 and District 18-O convention is on April 1, 2023

Camp Director Mike Williams is busy getting applications and putting this year's Christmas Camp program together. He is in need of volunteers to help with the program. Please call him at 912-283-4320 if you can help. The dates for the Christmas Session are December 9-11.

The Board of Directors met for its Fall Meeting on October 22 in Perry, GA. There was a lot of discussion on the needs of the Camp. Per the Camp's Constitution the Board approved the 2023 Calendar Year Operating Budget for \$446,366. Some of the major increases are due to:

- Cost of goods
- Increase in number of Campers
- Cost of a Grant writer
- Hiring a part time B&G maintenance employee
- Over all maintenance due to aging equipment
- Increase cost and new fundraising projects

Camp Director Mike Williams and I attended GVEST (Georgia Vision Educators Statewide) in Macon on October 12-13. We had a chance to talk to a lot of TVI's (Teachers of Vision Impaired). Some of whom were new and were not aware of our Camp. Others were aware of our Camp and were willing to encourage their students to attend our Camping Sessions. We also talked to some of the TVI's about helping with our Summer and Christmas Sessions.

On November 4th and 5th the Long Range Planning Committee held a Strategy Planning retreat at the Camp. Thirty people had signed up and 25 attended. The Board of Directors and every Standing Committee were well represented. Both full time employees, Mike and Gail Williams, attended. Previous Camper and Counselor Michael Brown and his wife attended. Georgia Blind Lions President Ron Worley and his wife were coming but had to cancel at the last minute due to illness. There was a good cross section of Lions that were very experienced with the Camp and Lions that were relatively new to the Camp. A lot of new ideas and suggestion came out of the Retreat. The entire session was well lead by 2VDG Larry Griggers, chairman of the Long Range Planning Committee. The purpose of the Retreat was to come up with Action Items that are needed to meet the six Goals previously approved by the Board of Directors. All the Action Items will be reviewed by the Long Range Planning Committee and then presented to the Board of Directors for approval. The group agreed that this type of Strategy Retreat should be held each year and if possible before the approval of the Camp's budget for the following year.

Congratulations to 18-I for again having the highest percentages (75%) of their Clubs making contributions to the Camp and congratulations to 18-N for making the most contributions to the Camp of \$44,877 year-to-date.

What can you and your Club do to help **GROW THE CAMP MORE.**

Fundraising Committee November 2022

There are so many ways that you can help your Georgia Lions Camp. There is the Century Club, 1976 Society, Brick Memorial Garden to name a few.

Did you know that many companies will match your donation? That's right, match your donation. Companies like General Electric, Home Depot and American Family Insurance to name a few. If you are still working or know someone that is still working, check and see if those companies will match a donation to the Georgia Lions Camp.

Another way to donate is to donate stock. If you donate stock, you don't pay capital gains taxes on the stock and get a deduction for the value of the stock.

A fourth way would be if you have to withdraw from your retirement plan and have to pay taxes on that money. Have your plan write the check to the Georgia Lions Camp. You don't pay taxes on the donation. Before you do either of these, check with your financial advisor.

Looking for volunteers Fundraising Committee

I need additional volunteers to work with the Fundraising Committee starting now and at least until June 2023.

There are fundraising projects already started and some that need to be created.

Coming soon, a **joint golf tournament** with the Georgia Lions Lighthouse Foundation. Need volunteers for all aspects. A target date is June 2023. The goal is \$40,000 split equally.

Casino Fundraiser benefitting the Georgia Lions Camp in May 2023. Need volunteers for Silent Auction, online registration, setup and breakdown the day of the event, people to sell 50/50 raffle tickets. Location will be determined by the end of November.

An online silent auction. Needs to be totally setup and operating right after the first of the new year. This could happen two or three different times during the year.

Camp Finances Y-T-D thru OCTOBER 31, 2022

We are now 10 Months of the 2022 Fiscal Year -- the end of the year is not far away. We only have about 6 weeks left to make this a successful financial year -- and we have a long way to go. Christmas Camp is coming soon -- and we know many Campers are looking forward to another trip to Camp, they always do.

Looking forward -- we have a new fiscal year starting January 1, 2023. We are looking forward to the challenges of 2023. We are planning to increase our number of Campers in Summer Camp and also in Christmas Camp during 2023. Plans are underway to make this new year the best yet. Of course, providing more services to more Campers means we will need more funding to make things happen. Our Board has just approved a very aggressive budget to make things happen for our Campers. Our 2023 Budget will need support from Lions Clubs and Individual Lions from every locality in Georgia. Please consider how you can help our Camp financially -- now and in 2023.

Our current Cash Liquidity remained at just under 1.0 months of normal monthly expenses for the month of OCTOBER. We are still in a 'Cash Rebuilding Stage' -- we need to replenish our cash. We need everyone's help to do so. Contributions -- from Clubs or individuals -- are needed now. This is the time to build our Cash. Please Help -- NOW.

There are numerous ways to make your contribution -- and your Club will receive credit at the same time. Our Fundraising Committee is working hard to do their part, please support them in their effort.

The Camp, and, therefore, the Campers, benefit tremendously when the Camp is in a healthy financial position.

Operational Income vs Expenses -- Y-T-D thru OCTOBER 31, 2022

	<u>Actual</u>	<u>Budget</u>
Total Income for 2022 to-date	206,724.65	281,955.00
Total Expenses for 2022 to-date	235,261.45	275,227.00
NET Operating Income for 2022 to-date	(28,536.80)	6,728.00

Club Contributions -- Y-T-D thru SEPTEMBER 30, 2022

	<u>18L</u>	<u>18I</u>	<u>18O</u>	<u>18N</u>
# of Clubs Contributing in 2022 to-date	21	42	20	30
% of ACTIVE CLUBS Contributing	50%	75%	40%	53%
Contributions by District for 2022 Y-T-D	38,798.12	33,182.38	16,409.51	44,877.02

As you can see above -- Our fiscal year 2022 is almost over, and you can see the number of Clubs contributing to the Camp in 2022 is NOT where it should be. Right at 83% of our year is now over -- on the average, only 54.5% of the Clubs across Georgia have made a Contribution of any size to the Camp so far this year. **ALL Clubs need to support our Camp.** Going into 2023 -- Lions support is needed more than ever. ANY and ALL Contributions are very much appreciated.

Your Camp District Director receives a report each Month showing the contributions made from each Club in your District. Please contact him or her with any questions as to how you can help support our Camp in giving the Camp experience to others. Remember, **ALL** Contributions are appreciated!

Thank-You!

David E. White,
Board Treasurer

3. Complete your purchase as you normally would.

Kroger
