## WHY THE HAMAS WAR OF OCTOBER 7, 2023 WILL LEAD TO THE SAMSON OPTION

*Isaiah 17 and then to the Muslim Regional Inner-Ring War of Psalm 83*

From an End Times or Eschatological Perspective, will the current Muslim-Jewish Warfare result in the Preemptive Strike on Damascus or will the 2-State Solution go Forward? One is not sure, but based on one who has studied and read, this latest Confrontation between Israel and its surrounding Inner-Ring of Muslim Factions, Armed to the Teeth, as they say, will lead to both. As with the War of Independence in 1948, the Israeli Pre-Emptive 6-Day War of 1967 and the 'Surprise Attack' of the Yom Kippur War of 1973, it has been shown that Israel cannot sustain an All-Front Attack.

Meaning, that it took a Miracle to Deliver them, which did happen. One then surmises that this next Confrontation, when the Muslims do then Coordinated their All-Frontal Assault, which will be the Psalm 83 War, will only be won by a Miracle or Miraculous Circumstance. It has to, as this present Confrontation is really leading to the Geo-Political Conditions that will warrant the 'Messiah' that will come to 'Rescue' and take the Credit. This is a Set-Up. However, one conjectures that 1st, the Nuclear Samson Option will Destroy Damascus.

That is what will lead to the All-Out Assault of the Muslim Para-Military Factions. The Hamas Attack has served to test IDF's Weaknesses. The World Pro-Palestinian Support will foster the All-Out Assault as well. The Muslims are Emboldened now with World Support. Why Damascus? That is where Iran has been Ground Staging the Stockpiles of Weapons that have been Transported and Smuggled for Years into Syria. This is why Israel continuously Bombs these Military Targets for Years, with little Success. Realize that Israel and Iran are already in a State of War, a Cold One. But Israel is also in a State of War with Syria.

Syria never signed any 'Peace Accords' and considers itself in a Perpetual State of War with Israel. Then so is Lebanon. Since the Israeli Invasion of Lebanon, twice in the 1998s, that is what led to the creation of Hezbollah, by the way, which means the 'Party of Allah'. Now as to details? Like when is this Samson Option all going down? But if one's Calculations are to prove to be correct, then it will occur within 2 Years. How so? This Theory is based on one's Supposition that the Rapture is to occur in Mid-July of 2024, during that possible End of the Church Age Wheat Harvest, as a Prophetic Type. Thereafter, as the Restrainer is set-aside and the USA is no longer able to back-up Israel, seeing that it is having to go at it alone, it will seek to Defend itself by Nuking Damascus.

## Time for a Savior

It is that Scenario that then unleashes the Psalm 83 War and Israel Mendaciously prevails. This is when Israel will then be in a Position to Build the 3rd Temple. The Attack is meant to surely invite the Psalm 83 War. It is the Plan. But at the same Time, this 'Savior', to come out of the Nebuchadnezzar's Dream of the 4th Beast Empire 10 Toes, if either in the EU, will be the AntiChrist Figure.

1-Babylon

2-Medo-Persia

3-Greece

4-Rome

A) Western

B) Eastern

C) 10 Toe Confederation

Only after the Rapture will he somewhere, somehow come to the forefront of these Educated Chaos to provide the 'Order' and takes credit for Israel prevailing after the Defeat of the Inner-Ring of their Muslim Menace, etc. Now if that will be a 2 State Solution? It could be. Now here is where the possible Timing and Circumstance could transpire, if in reality, Israel will be forced to be Divided to appease the World in allowing the Muslim Palestinians to have their own State within Israel.

Realize that the Muslim Palestinians reject the 2-State Solution initially back in 1947. They are to blame for the continued Bloodshed. Why the Discrepancy if there will or will not be a Division of the Promised Land? Well, in Scripture, there are 2 Perspectives in that in 1 case, it appears YHVH is Angry at the World for having 'Divided' His Land. Yet, in other places, it appears it has not been the case, due to YHVH's Admonition to the Nations not to 'Cut' Israel or Jerusalem or He will 'Cut' them, etc.

---

*'Behold I will **Cut-Off** all that have Afflicted thee at that Time: and I will save her that halteth, and will gather her that was cast out: and I will get them Praise, and a Name, in all the Land where they had been put to Confusion'. Zephaniah 3:19 [Douay-Rheims Bible](#)*

*'And it shall happen in that Day that I will make Jerusalem a very **Heavy Stone** for all Peoples; all who would heave it away will surely be **Cut** in Pieces, though all Nations of the Earth are gathered against it'. Zechariah 12:3*

*'I Will Gather The Armies of the World into the Valley Of Jehoshaphat. There I Will Judge Them for Harming My People, My Special Possession, for Scattering My People among the Nations, **and for Dividing up My Land**'. -Joel 3:2*

One would Interpret this as being what will occur at the Battle of Armageddon. But it insinuates that Israel has been 'Divided' and perhaps either done by the AntiChrist to appease the Muslims and the World to make 'Peace' with Israel by establishing a State of Palestine. However, when the Samson Option is to be deployed to ward-off the Iranian Presence, Israel's vanquishing that and the Inner-Ring of their Muslim Menace will have been Neutralized to not have a need to accommodate a State of Palestine.

## **Peace and Security**

So, perhaps the coming AntiChrist False Jewish Messiah will do both, as a real Politician and World Diplomat. Thus, if the Rapture Event does occur, say in Mid-2024, the Damascus Destruction could occur in Tandem with the Rapture, as that could be signaled by the 'Sudden Destruction' the Rapture Event is associated with, when it will occur. Then following, just a few Months thereafter, like in a similar Month in which Hamas Attacked, in the Fall Feasts of Israel, is when the Psalm 83 War could occur.

Consider the Astronomical Correlations occurring in the Revelation 12 Sign Iteration with the Asteroid, specifically 'Child'. It was 'Birthed' on Rosh HaShanah in the Rabbinical Calendar. But one noted how it was Mars that 'Entered' Virgo on 723, September 23, 2023. This was the 6-Year Anniversary of the Revelation 12 Sign back in 2017.

### **Revelation 12 Sign**

*September 23, 2017 + 6 Years = September 23, 2023 (723)*

Consider now, the following recurrences of this 723 Numerical Code, that one suggests is seeing how it too will play a role in when the Rapture Event could occur. Then 13 Days later from when Mars entered the 'Womb' area of Virgo, that represents Israel, on October 7, on Shemini Atzeret, the 8th Day of Assembly along with Simchat Torah was Tishrei 23 or the 7th Month, 23rd Day. This is another 723 Numerical Association. And?

### **Mars Planet of War in Virgo**

*September 23, 2023 (723) + 13 Days = Tishrei 23, 5984 or the 7th Month, 23rd Day*

Well, exactly 290 Days or 9 Months from the Hamas Attack is July 23, 2024, the 7th Month on the 23rd Day. Coincidence? Meaning? One has considered the possibility that the Rapture Event is tied to a Summer Wheat Harvest, and the 2nd Shavuot Count of 50 Days lands on July 23, 2023, but if one uses the Solar Calendar pegged to the Spring Equinox. So, have in mind that the 2 Types of Calendars being considered do not Synchronize. Nonetheless, if one was to 'Project' a possible Timeline, here is one.

### **Hamas Attack tied to Rapture Countdown?**

*October 7, 2023 (7-23 Tishrei) + 9 Months (290 Days) = July 23, 2024 (723)*

One is just noting how the Numerical Factor or 7-23 keeps occurring when considering these End Times possible Rapture Timing Scenarios. There is the Prophetic Typology of 'Extracting' Lot and Family from Lot, just as Sudden Destruction occurred. There is the Flood of Noah, of how for a Period of 7 Days, the Sudden Destruction occurred thereafter. And then with the Teachings of the Apostle Paul, he likens the Rapture Escape or Evacuation to a corresponding Sudden Destruction, etc. Thus, one conjectures that the Rapture could very well be tied to, in conjunction to these Geo-Political and Astronomical Occurrences, just the same. Consider that there are 3 Main Prophetic Correlations that are noted, to when the Rapture Event is to occur. It will be in Tandem with 'Sudden Destruction'. Thus the possible implication of the Isaiah 17 Destruction of Damascus. The following are some Highlights of the Hamas Attack.

---

### **OCTOBER 6, 2023**

*'Surprise Attack' on Israel by Muslim Para-Military Forces, mainly Hamas in Gaza. Several Kibbutzim are taken as well as 5 Israeli Cities surrounding Gaza. IDF nowhere to be found. 1 Military Base near Gaza is taken. Truly unprecedented and Humiliating and Demoralizing for Israel.*

### **OCTOBER 7, 2023**

*Israeli Hostages are paraded in Gaza. Taliban and Hezbollah Pledge Support. Israel starts an Aerial Campaign of Retaliation deep within Gaza. IDF Reservists are Called-Up, over 80,000, which takes Time. For sure, Israel is in a State of War now and this will not let-up and will lead to the Isaiah 17 destruction of Damascus and Psalm 83 War Retaliation because of it.*

### **OCTOBER 2023 TO JULY 2024 (10 MONTHS)**

*Israel and the Muslim Inner-Ring of Muslim Para-Military Forces will entrench themselves for the inevitable Showdown of the coming Psalm 83 War. One is assuming that the Isaiah 17 Destruction of Damascus will occur 1st, as Israel is Out-Manned, on all Fronts. These Events in turn, will coincide with the Rapture Event in 2024 that will then usher-in the Man of Peace to 'Confirm the Covenant' with Israel and the Many, etc.*

### **JULY 2024 (RAPTURE AND END OF CHURCH AGE?) Speculative**

*Seeing that many Christians in the USA and around the World have gone 'Missing', the Evangelical Support that had been there for Israel will have been removed. This situation on the Ground will ensure Israel will seek the Support and Ally of anyone coming to their 'Rescue'. The AntiChrist and False Prophet will come and fill the Political and Spiritual Vacuum.*

### **SEPTEMBER-OCTOBER 2024**

*If the possible execution of the Isaiah 17, by Summer occurs in Tandem with the Rapture Event, or thereabouts, what will follow will then be the Psalm 83 War. This is the Invasion of the Inner-Ring of the present Muslim Para-Military Factions. The Hamas Attack was not the Psalm 83 War, just yet. Only what is identified as Philistia 'Attacked' Israel.*

*Note that such People Groups in Modern Terms are not the Nations from where these Militants come out of, Egypt, Jordan, Syria and Lebanon. They will not stop the Para-Military factions that will Attack as the Nations will 'Wash their Hands' of any Direct 'Involvement'. Miraculously, Israel Prevails and expands its Borders as it did in the 1948, 1967 and 1973 Wars.*

### **OCTOBER 2024 TO OCTOBER 2025**

*Israel, along with its AntiChrist 'Deliverer' and False Prophet Religious World Leader confidently permit the Sanhedrin, the 'Many to rebuild the 3rd Temple. It will coincide in preparation for initiating a New Era of Peace, as that has been now Guaranteed by the 'Messiah' and the 70 Elder of Zion that will accept the Man as a Solomon 2.0.*

*With Peace in the Middle East, the Peace is extended to the World and Israel, Jerusalem and the Temple are made the Center of this World Order 'Reset'. The Daily Sacrifices begin on the very Sabbath, just 2 Years prior, when the 'Surprise Attack' on Shemini Atzeret-Simchat Torah occurred. That Sabbath in 2025 is called the 'Beginning'*

---

### **It is also about the Muslims making a Covenant**

Then, as the Muslim Inner-Ring is Destroyed and Israel then, in confidence, tears-down its Walls. It will be a Time of Prosperity and Preparation of the Outer-Ring of Muslims coming in for those Spoils and Revenge of the Decimation of their Muslim Brethren, etc. This Outer-Ring of a Muslim Non-Arab Confederation will be led by Russia. This is the Gog-Magog War or Ezekiel 38-39. This War, is when YHVH will directly Intervene and will occur, apparently during the 7-Year 'Peace and Security', assured by the False Messiah Israel had just made a Deal with Death, as Isaiah describes this Covenant, etc.

As most Political Pundits are saying, this latest round of Muslim Attacks on Israel is on a New Level. The Tactics are such that they are Low Tech: Rockets, Boats, and now Paragliders. Hamas and the other Muslim Para-Military Forces are up against Israel's High-Tech, Billion-Dollar Military Apparatus. It is like a Reverse, David and Goliath Situation on the Ground. One is reminded of the 1990's Suicide Bus Bombings that seemed to occur on a Daily basis in Jerusalem mainly, but also in Tel Aviv, etc. It got so bad that the Jews would tie a Dead Pig at the Bus Door Entrances to deter any Muslim and deprive him of his 70 Virgins.

In Islam, the murdered and Raping of Innocent Women, and Beheading Children and Kidnapping the Elderly is just an End to a Mean. One remembers staying at the Abraham Hostel in Tel Aviv and catching a bus at the Bus Stop about a Block to the North connected the main Avenues to the City. That Bus Stop had been Blown Up in Times Past, but just knowing that just 'Catching a Bus' could be one's last Act of the Day was Unnerving. Imagine living with that Fear on a Daily Basis in Israel. If anything can be further said, Prophetically about this Hamas War of 2023, and the Developing situation, is that it has to take a Man, even more formidable than just a mere Benjamin Netanyahu to Promise and Secure Israel's 'Peace and Security'.

Thus, the 'Surprise Attack'. It was not. As a Political Scientist and one who has Served in 2 Armies, though Briefly, to include Volunteering with the IDF, through their Sar El Program, one is not convinced it was a 'Total' Intelligence Failure. That is the Narrative the Luciferians that are calling the Shots and own the Media are wanting the World to believe. Why? It is a Scheme of a much larger Military Strategy to ensure the Isaiah 17 Destruction of Damascus and then the All-Frontal Attack by the 'Covenant' of the Muslims to 'Remember the Name of Israel no more', per Psalm 83. So, what is the Chatter in Iran? What are they hearing in Iraq? The following was forwarded.

---

*Dr. Mordechai Kedar:*

*I hesitated quite a bit whether to publish the things that appear below because of the panic they might cause in Israel. However, in the Middle East environment, and in particular in Iraq, these things are known and serve as a topic of open discussion among quite a few, so it is impossible for the public in Israel not to be aware of them as well, and in particular that these things concern them, their security and existence, much more than they concern the citizens of Iraq. In addition, these things come up from time to time in the Israeli media, so I decided to bring them up here.*

*Well, a source I have known for years - an expatriate from the Middle East, a supporter of Israel, who lives in Europe and is in constant contact with people in Iran and Iraq - conveyed to me their assessment: Iran is planning to launch a combined attack on Israel in the near future which will include all the forces at its disposal in the Arab countries: In Lebanon - Hezbollah, in Gaza, Hamas with many thousands of missiles and UAVs, some of them accurate. In Syria - 17 combat units ("militias") armed and ready:*

*1-Fatimiun,*

*2-Zinbioun,*

*3-Nujabaa',*

*4-Hezbollah,*

*5-Abu Al-Fachal Brigade,*

*6-Atsa'ab Ahl al-Haq,*

*7-Khorsani Brigade,*

*8-and more.*

*Iran has transferred to Syria a very large number of missiles and UAVs and these are ready to be launched. In Iraq - dozens of militias, armed with missiles and UAVs. In Yemen - the Houthis, who have missiles and long-range UAVs that reach Israel. In Gaza - Hamas and the GAP with missiles capable of disabling the Israel Defense Forces and Air Force bases. It is likely that Iran will not send anything from its territory to Israel in order not to expose itself to retaliation.*

*Under the pretext of the duty of the Muslim world to save the Al-Aqsa Mosque from the Israeli occupation and oppression, Iran will conduct a staged, comprehensive, integrated and coordinated attack on Israel.*

*The first phase will be a shower of missiles and UAVs from all the aforementioned arenas together, and the Iranian estimate is that the stock of interceptors of the "Iron Dome" will run out within two to three hours from the start of the air attack, after which the Israeli skies will be open and the air force will be damaged and grounded.*

*The first phase of the air attack will be accompanied by a cyber-attack on Israeli infrastructure systems. After a full day of a cyber-attack and a shower of missiles and UAVs that will hit air force bases, navy bases, army bases, electricity, computing, communication, road and water infrastructures, the second phase will begin: a coordinated ground attack from Lebanon, Syria and Gaza by infantry, mounted forces.*

*On dirt bikes and ATVs, equipped with anti-tank weapons, they will cross the obstacles and attack the Israeli ground forces in order to reach Jewish settlements as quickly as possible. The calculation of the Iranians is that the mobilization of the reserves will take several days and at most will be partial because of the mess that will be created throughout the country. IDF reinforcements will not arrive in time to the various fronts and therefore the regular forces will collapse within hours in the face of the ground attack as happened in the Canal and the Golan during the Yom Kippur war.*

*The invasion of ground forces from Syria, Lebanon and Gaza will focus on Israeli settlements with the aim of demoralizing the Israeli public and forcing the government to surrender in order to save the lives of the many Israelis who will be captured by the Arab and Iranian militias.*

*The Israeli media and especially the social media groups will increase the panic among the Israeli public. It is not clear what role the Iranians ascribe to the Palestinians in the war. However, it is likely that Hamas and the Palestinian Authority will push them to do everything in their power to harm Israelis, the army, the police and civilians moving on the roads, in addition to attacks on settlements and military bases.*

*Also, the Iranians expect Arabs in the Galilee and Negev to carry out actions against the IDF and the state such as blocking roads, damaging bridges, spilling oil on roads, blocking intersections, damaging high voltage lines and attacking Jewish settlements. ("Guarding Walls in a Square") Because the National Guard Not operational yet, these actions will cause great damage to Israel.*

## **God of War**

Now, as to Astronomical Signs occurring as a Prelude or in Tandem with this Hamas Attack tied to the Rapture? As mentioned, the Planet of War, Mars entered the 'Womb' of Virgo, representing Israel on September 23, 2023. One should not be looking at Mars in these Last Days of the Last Days for what is pertaining to Israel, Eschatologically. Why? Consider the Mars Patterns that 'Attack' or have attacked Virgo, Astronomically in the Past. Here is what one had been Posting since August of 2023 about the coming War in Virgo, i.e., Israel.

It has been noted by other End Time Students, that Venus began to enter Leo in September of 2023 and that it meant War. The Point is that Venus is a Direct Inference to Jesus and was not in Conjunction to anything at that Time. But rather, that one should be considering Mars, the God of War instead, pertaining to Israel, specifically. Consider that it was Mars in Virgo when the Hamas Attack occurred.

Thus, if Venus was surmised to be Signaling a Corresponding Time of War, how can Jesus, as the Euphemism for Venus coming into Leo in September, be 'Attacking' Leo, whom it too Represents, i.e., the King Star of Regulus, etc. While most had their Attention on the Asteroid that conglomerated in the Revelation 12 Sign in the Constellation of Virgo, most missed Mars and came in, unawares or was little noted. Some did acknowledge it possible 'Red Dragon' Significance, but they could not Discern it to be what was coming to Israel, War as one surmised publicly.

### [PostScripts August 31, 2023 at 1:05 AM](#)

*What is rather Interesting and perhaps more Prophetically Significant is how on this Date 723, it is Mars that enters the 'Womb' of Virgo. This occurred during the 6-Day War for the Battle of Jerusalem in 1967. **Thus, one surmises that the coming Season will see just that, in the coming Regional War with the Muslim Inner-Ring.** One will bet this will be the Psalm 83 War that will occur after the Rapture in 2024, per one's present Timeline Estimations. This is what will lead to the Rise of the False Jewish Messiah to then Confirm the Covenant with the Sanhedrin Many and the Muslims, etc.*

[PostScripts September 5, 2023 at 9:09 PM](#)

PART 5/5

More specifically the following.

-September 15 Rosh HaShanah and 'Child' Asteroid being 'Birthed' out of Virgo. And Comet C/2023 P1 Nishimura enters Virgo from Leo.

-September 23: The 6th Year Anniversary of the Great Sign in the Heavens, Astronomically. And most importantly for this Iteration of the Sign, **Mars enters Virgo**, i.e., Israel Primarily, the Body of Christ, Secondary as a Prophetic Echo. Most assuredly, **War is coming to Israel**...and tacitly to the Body of Christ.

---

It is not to discount the Work others have contributed, especially in Tracking the Astronomical Significance of the Planet Venus in relation to Wars. One is just pointing-out that it is the Planet Mars, that is the Key to the possible Discernment of when Isaiah 17 and Psalm 83 is to commence. Realize that 75 Years Ago, the Planet of War, Mars visited Virgo, the Constellation that is the Motif for Israel and the 12 Tribes, etc.

On May 14, 1948, Mars was in Conjunction with the King Planet Regulus in the King Sign of Leo. Then all the way to the Fall Feasts, Mars enters Virgo just before the Feast of Sukkot. Then in 1967, Mars, the God of War entered Virgo on the very Day of its 1948 Independence Anniversary of 19 Years, on May 14, 1967. For example, in 2024, Mars will Conjoin in Astronomical Alignment with the Pleiades in the Constellation of Taurus, precisely on July 23, 2024. Coincidence? The Pleiades represents the Church.

Then approximately 1 Month later, Mars will be in a Spectacular Conjunction with Jupiter, right in the Midst of the 'Horns' of Taurus. These Astronomical Conjunctions are just to suggest how the Geo-Political Occurrences down on Earth, are 'Mirrored' by the Motifs of the Sun, Moon and the Stars that YHVH said He places in the Heavens for Signs of what is to come, etc. But that is the Rationale and Tactic being unfolding, in one's Estimation. Israel is being made to look to a 'Supernatural' Savior. Sadly, it is not Jesus, their True Messiah.

But the Luciferians are 'cornering' Israel, really to accept 'He', the Solomon 2.0 that is coming in his own Name to Protect them. Of course, this Scenario is totally Speculative and one has tied it to one's Fall 2025 to Fall 2032 Timeline of Daniel's 7-Year Tribulation Period. And that the Rapture Event could be occurring in Mid-Summer of 2024. Perhaps, but again, if the Rapture is this close to presume a July 2024 Summer Wheat Harvest Season, from Typology, the Isaiah 17 and Psalm 83 War Scenarios will follow within Months, not Years. And here what you all will never hear discussed.

## **Military Calculations**

It pertains to Military Intelligence and Psychological Warfare in a Prolonged Strategy of Full Spectrum Dominance. Here is how it works. But realize this is one's Assessment but based on Military Experience, the little one had. It is like a 3-Level Chess Game going on. Israel is allowing this Muslim Multi-Front Attack to be Seen and Reported as an 'Attack'. Why? To instill Horror and Terror. This will Unite a Divided People, as Israel had been up to that Point due to the Contention over its Judicial Reform Debate, etc. This has served to Secure IDF and Netanyahu Support in Unifying Divided Israel.

The 'Orders' to 'Stand Down' came from those 'Behind the Curtain' that really call the Shots in the World and Rule the Nations. Netanyahu just did as he was Instructed to do and is taking the Fall, for the Time Being, in one's Assessment. The Luciferians will Sacrifice the Lives of Ordinary Defenseless Jews to give the Muslims a sense of Invincibility. They will Compromise even Israeli Military Bases and Settler Communities. Why? It has installed Fear and Panic, etc. Problem-Reaction-Solution. With this new found Confidence on the part of the Muslims, their Divisions will also be mended and are being United in 1 Confederated Front yet to come.

That Front, as mentioned is to Destroy Israel and 'Remember the Name of Israel No More', i.e., Psalm 83. The Military Calculation is that the Sacrifice of Lives will ensure now, that the Isaiah 17 Destruction of Damascus will occur just as the Bible foretells. And then that Event will trigger the all-out Military Militia Muslim Response that will be the Psalm 83 War. That is the Plan. Israel is like the Lone Black Widow in the Web ready for the Hordes of Muslims of the Inner-Ring of Militias to come to devour it. It is a Trap. Israel will have lured ALL its Inner-Ring Muslim Enemies, all at once into Israel.

It will have the Advantage and then the IDF will utterly Obliterate them, 'On the Mountains of Israel'. It will send Shockwaves of Prophetic Echoes of the Next War, that of Ezekiel 38-39. Thus, with this Military Operation, Israel will once and for all Defeat and Destroy their Inner-Ring Muslim Menace. Now the Outer-Ring is next. So, where is this all leading? Israel's National Redemption is to come thereafter, but not before Lucifer mounts the 3rd Phase of World War 3 in that it will be then at Armageddon.

This book will examine the Political, Social, Religious Factors of how Israel is fast approaching its ultimate Rendezvous with its Prophetic Destiny as the Nations contend for the Promised Land, Jerusalem and Temple in this last Fig Tree Generation.

Or, if at least, the Prelude is In-Play, that many End Time Students of Prophecy, have deemed, the Great Reset. Thus, the World War Reset.
