Our Mission

To Honor, Educate and Remember those who have served our country and our community.

Our Project

We will be constructing our new memorial within the Pewaukee Kiwanis Village Park. It will showcase a flag court representing each branch of the US military, a beautiful memorial brick walkway leading to a floral garden with benches and a decorative tower featuring a working bell.

Veterans Oral History Project

Educating the community is at the forefront of the Bell Tower Memorial's continuing mission. Since 2016, the BTM has partnered with local high schools to pair students with local Veterans who are willing to share their many stories from their time in the service. These live interviews are recorded and submitted to the Library of Congress as part of a national Veterans Oral History Project (VOHP).
