

## **Welcome to the 2018-2019 Travelers Rest Resort Season!**

Travelers Rest Resort, entering its 46th year, is still one of the most active RV parks in the country. This park relied on the volunteers when it began and that holds true today.

Our volunteers make things happen throughout the season. Take a serious look at this Activity Book and you'll know why many of us decided to make TR our home away from home.

Travelers Rest is special because of your leadership and willingness to share your time and talents. Your past and future dedication enables us to have a lifestyle we all enjoy. The work you do is valuable.

The success of TR each year is due to the generous people who pool their time, talents, and energies. Let's make our ancestors proud. We will continue working together for another great season. Experience tells us that we truly know how to do it and do it well. Our volunteers know how to make things happen!
