

REVELATION 12 HEAVENLY SIGN

PATTERN OF VIRGO CELESTIAL SIGNS FROM 2000 - 2025

On September 23, 2017, the Virgo sign will match the Revelation 12 vision depicted in the Bible. During this same time, there will be a planetary alignment in the constellation Leo. This chart seeks to illustrate the planetary alignment of Mercury, Mars and Venus. It appears that the alignment matches the angle, size and degrees that approximates those of the Pyramids of Egypt. Given this alignment, there is a possible correlation then with Leo being the 'Sphinx' and the 3 Planets being the 3 Pyramids. Will this alignment have to do with something related to Egypt or Israel? According to the work and research of E. W. Bullinger, *The Witness of the Stars*, Bullinger asserts that the constellation Virgo is the first in the series of prophetic celestial witnesses the LORD יהוה has placed in the heavens to testify of the Plan of Redemption in the person of the 'Promised Seed of the Woman', that is the Messiah, Jesus Christ at His 1st Coming. The constellation Leo is the last 'sign' in the Mazzaroth / Zodiac that testifies of the 2nd Coming of Jesus Christ as the conquering 'Lion of the Tribe of Judah'. Jesus Christ said of Himself, 'I am the Alpha & the Omega, the Beginning & the End.'

The Sphinx is also associated with the 3 Great Pyramids of Egypt that have been shown to mirror Orion's Belt and certain alignments of Planets at particular times. Most noticeably, the 3 Planets that 'mirror' the Pyramids' geometry and distance are Mercury, Mars and Venus.

On the September 23, 2017 Virgo sign, these 3 Planets also compose the same exact 'angle' and distance as the Pyramids of Giza on Earth. They make up the 'crown' of Virgo in the constellation Leo, or as it were the 'Sphinx'. The Virgo sign in 2017 thus also has a 'picture' and association with the sacred geometry of the Pyramids.

Biblically and prophetically, Virgo or the 'Virgin' deals with the celestial conflict between the 'Seed of the Woman' the Messiah Jesus Christ of Israel and Lucifer as depicted in Genesis 3:15. This is called the 'proto-Evangelium'. The constellation itself has a woman holding a brand on her right hand and a basket of corn on her left hand. Virgo comes from the Latin 'virga' as in branch or shaft as in an ear of corn.

The brightest star in VIRGO (α) is *Tsemekh* in Hebrew. There are twenty Hebrew words translated 'Branch', but only *Tsemekh* is used exclusively of the Messiah. It is *Al Zimach* in Arabic, which means the 'Branch' also. This star is in the ear of corn which she holds in her left hand. Presently, the same star's name comes from the modern Latin name, *Spica*, which means an ear of corn. In Leo, the prominent star is *Regulus*. This speaks of the coming King and royalty as in to judge. Regulus will also be in the alignment on Sept 23, 2017.

Virgo, based on the name association and meanings with its composition speaks of the Coming One, the 'Branch' with an emphasis on this 1st Coming. Leo is the conclusion of the 'Witness' in the stars and speaks of Jesus' 2nd Coming right before Lucifer, the dragon is evicted out of Heaven. It is this composition that is embodied in the Sphinx of the Giza Plateau; a beginning and an end. The Sphinx has the body of Leo and the head of a Virgin; a true composite of the entire zodiac metaphor combined into one symbol.

Height:
481.33 feet or
5776 inches (5776 = 2016)

Perimeter = 3024
3x3024 = 1008
1008 + 1008 = 2016
2016 + 1008 = 3024 (circumference)
3024 + 1008 = 4032 (4032/2 = 2016)
4032 + 1008 = 5040 (2520 + 2520)

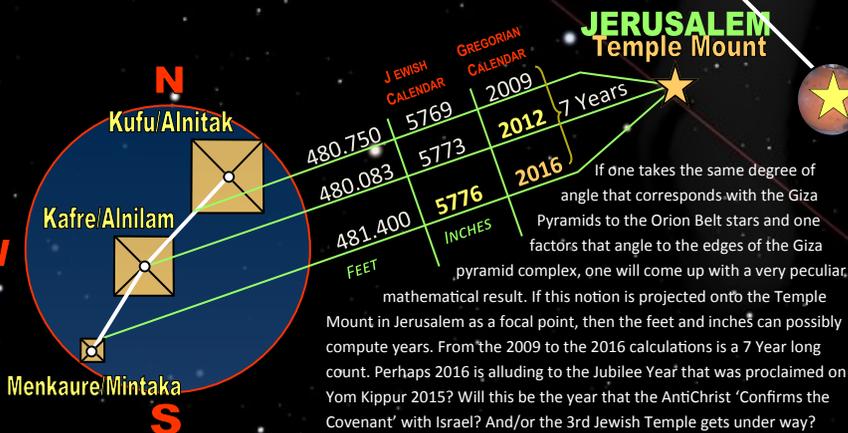

1008/2 = 504
504 + 504 = 1008
1008 + 504 = 1512
1512 + 504 = 2016
2016 + 504 = 2520

In the Bible, a 'Virgin' or Virgo is defined as being Israel, thus alluding to her 'Seed' as the coming Messiah as in the 'seed of Abraham' as women do not carry biologically the seed but the men do. Thus this imagery is full of prophetic connotations, foremost that the Messiah would come forth from a Virgin as Isaiah 9 predicted. And that Jesus Christ will come again as a King that He is to set up His Kingdom on Earth.

A prophetic harvest is coming; of the souls of every man and woman. The Messiah or Branch will procure as He comes forth from a Virgin, birthed and Raptured to Heaven awaiting His enemies to be made footstools. In the meanwhile there is conflict with the dragon, Lucifer that is making war with the 'Woman', be it Israel and/or the Church until Christ Jesus returns at His 2nd coming. At that time, He will be coming metaphorically as the Lion of the Tribe of Judah to conquer, vanquish Lucifer progressively out of the Heaven, the 'Air', Earth, the Bottomless Pit and eventually to the eternal Lake of Fire.

Planetary Alignment in the constellation LEO on Sept 23, 2017. This alignment includes Regulus and is part of the Revelation 12 vision.

The alignment is mirrored to that of the Pyramids in Giza, Egypt looking West just before Sunset. The Planets correspond also in terms of the size in direct proportion to the Pyramids, with Venus as the largest of the 3 Planets, then Mars & Mercury being the smallest one corresponding to the smallest of the 3 Pyramids of Giza, Egypt.
