

## Exciting Sentences

Miss McIntyre's story challenge:

This week's challenge is all about sentences. I wonder if you can rewrite the sentences below by adding **full stops** and **capital letters**. As well as this, I have highlighted adjectives (these are describing words). I know that you can make these words more exciting!! For example, instead of using the word 'big' why not use 'gigantic' 'enormous' 'massive' or 'huge'.
