Each flag represents someone laid to rest within this cemetery who served our country. The Avenue of Flags was created during the country's bicentennial year, 1976, to pay tribute to our community's bravest.

About Project: Garnett Remembers

Banners honoring those who have served and who keep us safe.

The Garnett Community Foundation invites you to participate in this patriotic project of honoring our military service men and women. The City of Garnett is accepting applications with photos now with the goal to have pole banners on display on Garnett's town square, Highway 59, and Park Road leading to the North Lake Park and Garnett Municipal Cemetery. If you know of a person who has ties to Anderson County that has or is currently serving our country and would like to sponsor a banner to remember and acknowledge them, banner sponsorship is \$200 for a 2-sided, full color banner, brackets and installation. Checks made payable to the Garnett Community Foundation are tax deductible.

Those applications received by June 1 will be on display prior to Independence Day, July 4. Annually thereafter, these banners will be exhibited from Memorial Day Weekend through July 4th.

Applications for Project: Garnett Remembers are available at Garnett City Hall, Garnett Public Library, Santa Fe Depot and online at www.simplygarnett.com.
