Open Session began at 6:01pm

- Questions were raised by attending members concerning Lot 53. The board stated that no questions could be answered at this time while discussion was still taking place between the attorneys for both parties.

- 

Executive Session opened at 6:12pm

Executive session ended around 6:57pm

- Concerns were raised from members attending about the board slowing down to help those who are using close captions catch up to what is being spoken about in the open session. The board agreed this was a good suggestion and will work with neighbors who are connecting to close captions early before the start of the next board meeting.

Open Session Ended at 7:06pm

These minutes were approved in the April 18, 2024 open board meeting.
