

Market Information and Application

2025 Market Year

A person, family, or partnership may join the Buffalo Farmers Market. Our selection committee will verify you meet our requirements and determine which new vendors fit the best in our market. Summer Market is May thru October. The summer season fee is \$75 and is good for the whole season. There is no weekly fee option. An additional \$50 fee is charged for drive up spots. We are non-profit and all fees are for promotion and operation of the market. Members volunteer their time to perform market activities as needed.

All items offered must be grown/raised/made by members and done within a 25-mile radius of the market. The manager may waive this requirement if your product is missing from the market or for other special reasons.

New Vendors

ALL APPLICATIONS are to be mailed to the Chairperson of the Selection Committee. **DO NOT SEND MONEY OR CHECK WITH APPLICATION.** Drive up spots are limited and assigned by the manager based on products sold and need, if any, for electric hook-up. If you are accepted into the market, you will then pay your fee. First consideration will be made for applications which arrive before April 15th. Space can be limited so apply early. Notifications should be sent within one (1) week of receiving your application.

Returning Vendors

Send an application to the Chairperson of the Selection Committee. DO NOT SEND PAYMENT. Payment can be made on the first market day. Applications must be received before April 1 to secure your past spots or a spot for the market. **If we don't receive it by April 1, a spot may not be reserved.**

Selection Committee Chairperson

Mail or email application to:

Geri Gulstad, Chairperson of the Selection Committee

1822 40th St SE Buffalo, MN 55313

If products are grown or produced at an address other than noted above, please provide that address.

Please list what you intend or wish to sell at the market: If you need more space, use the opposite side of this page or attach a listing. Bringing new items mid-season, let the manager know.

Do you need an electric hook up? __Yes __No

Markets begin the first Saturday in May and end the last Saturday in October. Please indicate any market dates you plan to miss. Notify the manager prior to missing any markets so adjustments in placement may be made. It is encouraged that you make as many markets as possible.
