Trucking Information-

In order to be considered as a transportation vendor for Seaview Plastic Recycling trucking companies must be able to perform the following requests for each pickup or delivery.

- 1- All trucks must be 53' dry vans unless otherwise instructed.
- 2- All trucks must weigh light and heavy on certified scales.
- 3- Scale weight tickets must accompany invoice and be submitted timely. Invoice will not be processed without scale tickets. Scale ticket cost must be included in total quoted cost.
- 4- Instructions for pickup and delivery for BLIND shipments must be followed. Deliveries and pickups from our Bridgeport facility will not be blind.
- 5- On schedule performance is critical.
- 6- Transportation vendors must have all appropriate licenses and insurance.

Vendor performance is key to remaining on vendor list.

OUR DELIVERY ADDRESS IS 63 WILLISTON STREET BRIDGEPORT, CT 00607

Scale Information-

When picking up from our Bridgeport, CT plant you are required to obtain a light weight scale ticket before arrival. There is a scale located at Automated Materials, 1300 Seaview Avenue, Bridgeport Ct. It is on the corner of 3rd St and Seaview Avenue and you must pass it to get to our loading dock on Williston Street. The entrance is on 3rd Street and the exit puts you back on Seaview Avenue. Make a right out from the scale and follow Seaview Avenue to Williston Street. Make a right and we are on the left side, white building with large lot. After loading loading you will be sent back to scale for a heavy weight ticket and upon your return with same a BOL will be issued.

If you are delivering a load you are required to arrive with a heavy weight ticket. After unloading you will be sent to scale for a light weight ticket.

NO TRUCK WILL BE UNLOADED OR LOADED WITHOUT THE PROPER WEIGHT TICKET.
