Complete Application Form: The application for Home Occupation must be complete and signed with the **\$50.00 fee** submitted before staff will process the application. The applicant is encouraged to submit other information and documentation to support the request.

All Permits are approved at a COA Meeting. All permits are renewed annually by January 31st. A reminder notice will be sent in December as a courtesy, however; you are responsible for renewing your permit. Failure to renew by the expiration date will result in a 25% penalty after thirty (30) days and possible denial of future permit applications for the location.

Note: If approved, the applicant must comply with regulations contained in County Code 3-2-18 (G) referencing Conditional Use Permits.

REVOCAION OF APPLICATIONS: The SCA has the authority to revoke an application based upon any violation of the SCA DOR's and/or the current COA Rules & Regulations. Written notice will be mailed to the property/business owner regarding the revocation of an application.

****Property Owner Consent:** If the applicant is not listed in SCA records as one of the legal owners for the physical location of the home occupation, a letter of consent must be obtained from the property owner, or the owner may sign and list their phone number next to their printed name above.
