Information

The City of Fountain Inn, in 2009 established a local hospitality tax for funding the operation and maintenance of current tourism-related facilities and to fund projects and events that promote quality of life, tourism and recreation. As part of this, the City makes grant funding available to nonprofit organizations hosting events within the Fountain Inn city limits.

Grant funding is available to nonprofit organizations through a competitive application process. Applications for funding are accepted annually during the fall for the following calendar year. Grant awards are finalized by City Council in March to be spent at the start of the new fiscal year (July). Additional information about the City of Fountain Inn's Hospitality Tax, including the grant application, can be found at <https://www.fountaininn.org/budgets-and-finances.html>
