

THE CHAMINADE MUSIC CLUB
Celebrates the Second Century
 2022 SCHOLARSHIP AWARDS VIRTUAL COMPETITION

The Chaminade Music Club awards are given to junior high and high school students for the advanced study of classical music. The awards are presented to both vocalists and instrumentalists. In a typical year, the benefits for the participants include the experience of a solo performance in front of a live audience, as well as constructive critiques from a panel of professional musicians. Prizes up to \$1,500.00 are awarded each year.

It is hoped that these awards might be helpful to the winners in their future study of serious music. This year we will return to a live competition. Applicants will perform their selections at 2:00 PM on Sunday, March 27th, at the Murray Unitarian Universalist Church, 505 N Main St, Attleboro, MA 02703. Applications must be either (1) emailed to nathanjohnson1@gmail.com by March 15th, 2022 or (2) mailed to ANN SEARS, P.O. BOX 409, NORTON, MA 02766 and postmarked no later than March 15th, 2022.

CECILE CHAMINADE

Applicants must present two selections from one of the following musical periods: Renaissance, Baroque, Classical, Romantic, Impressionist, or 20th-21st Century. All repertoire must be in what is generally understood to be a classical idiom. Total time of the applicant's performance should not exceed fifteen minutes. Applicants are required to perform their selections from memory. It is better for a student to select music which they can perform well rather than to select music that is too difficult. Please visit our website for more information.

The competition will be held at Murray Unitarian Universalist Church,
