

It seems as if America is being driven by racial unrest, violence and terrorism. The power of prayer should never be underestimated. This week's M&M Monday is a call to pray for our Nation. Pray that our nation will be transformed by transforming individual lives, one heart at a time.

It is a critical time for our country. It is time to individually and collectively seek God's divine intervention for the challenges facing us. As we call on God, let us do so by genuine faith, believing that He hears our prayers. As His people, let us humble ourselves and seek forgiveness as we pray for guidance for those in authority over us. God's Word says, "Blessed is the nation whose God is the Lord" (Psalm 33:12). Pray that as a nation we would return to God and heal this great land. Please pray daily for our country and its leaders.

Heavenly Father,

We confess our anger and our deep sadness over the events that happened in Charlottesville Virginia. Lord we pray for our enemies. We ask for Your mercy to be poured out on those who have allowed Satanic powers to work through them. Grant them deliverance through your mighty power.

Heavenly Father- we acknowledge and declare that Your Kingdom is the only good news for a world caught up in acts of hostility. Bring healing to those who are hurt, peace to those who are anxious, and love to those who are fearful. We look to You our God to help us.

Help each person wounded or traumatized by what happened. Pour Your lovingkindness on all involved. For Your lovingkindness changes hearts.

We declare and speak the truth that Your Word will penetrate hearts in both the oppressed and the oppressor. We ask by Your spirit of truth that both are raised up in Your truth and your truth alone being set free.

We ask that you would give our leaders wisdom and strategy over the evil powers and principalities trying to operate in our country.

In Jesus Name we ask.
