

CWA Development, Inc. Custom Marine Construction

Capability Statement

Company Overview:

CWA Development welcomes the opportunity to support your marine construction needs. Founded in 2005, we set out to transform the commercial and residential marine construction project industry with four ideals in mind: trust, quality, service, and value. Your project is everything to us. We provide services to local municipalities, state agencies, the commercial market as well as the residential market. As a woman owned small business, we have obtained SBA 8(a) and EDWOSB certifications. Our size and varied watercraft allows us to be efficient and responsive. We welcome the opportunity to be able to work with you and be a valued partner.

Core Capabilities:

Our experience allows us to satisfy the unique needs of any marine construction project. CWA Development: The solution to constructing or repairing:

- Bank Stabilization
- Pile Encapsulation (we are factory trained)
