Membership dues are a critical source of support for TBS. Based on the Temple’s 2022-23 budget, membership dues are projected to make up 60% of TBS’s revenue.

TBS relies on every household to support its innovative programming, fabulous clergy, and day-to-day operations. As our world is rapidly changing, **TBS needs your support now more than ever.** Whether you are able to support the Temple at the Above & Beyond dues level (which helps TBS subsidize the memberships of individuals/families that need a helping hand), or can make a commitment that is below standard dues, **please know that every bit – large or small -- is generous!** Thank you for your generosity.
